

Comcast Cares Day

(Pictured from left) John Dickinson, Anjelica Vilorio, Sheila Herlth, Candie Lee, and Sandra Bennett volunteer at Comcast Cares Day.

On Saturday, April 25th more than 50 local Comcast employees and their families and friends got together and painted the interior of the Keys Advocacy Center (the Center for Independent Living) at the Pink Plaza mile marker 103.4. Comcast also donated a dishwasher. It was all part of Comcast's eighth annual "Comcast Cares Day". At the same time across the country, a total of more than 50,000 Comcast volunteers participate on this annual day of service.

"Comcast Cares Day is an event I look forward to every year," said Comcast Chairman and Chief Executive Officer, Brian L. Roberts. "It is truly a moving experience to work with thousands of our employees, their families, friends and our partners across

the country to help make people's dreams a reality."

"Comcast is proud to be an active member of the Florida Keys Community, and Comcast Cares Day is our commitment to improving the quality of life in communities we serve," added Bill Underwood, General Manager. "There is nothing more rewarding than giving back, and I'm grateful to the 50 Comcast Cares Day volunteers who donated their time to make a big difference."

The Comcast Foundation will also donates to local community partner organizations across the country on behalf of each employee and family member that volunteered on Comcast Cares Day. The grants help Comcast's community partners continue their mission of serving the community.
