

Dear Anny Bannany

Dear Anny Bannany,
I recently saw on the Internet that ancient Grecian women believed that bathing in crocodile excrement had restorative and beautifying properties. Is this a fact or just a Croc- of-sh-t?

Signed,
Curious

Dear Curious,
We could all stand to be a little prettier. We are indeed fortunate to live in the Florida Keys where croc-a-poo is in abundance. Perhaps one of our readers is feeling "crocky" and would like to volunteer to go up highway 905 to the Crocodile Refuge and collect some? I'm willing to try getting croc-faced, how about you? Croc on!

Signed,
Anny Bannany
