Dear Anny Bannany
'Don't be Haunted by Guilt'

Dear Anny Bannanny,

I am a psychic clairvoyant medium; I have the ability to
communicate with dead people. I have some friends on the
other side that are very unhappy that their murders have gone
unsolved and they refuse to leave this earthly dimension until
they are. One walks up and down the bike path searching in
vain for a lost bullet, another endlessly dives the canals in
search of the blunt instrument that took his life, and another
appears only in dreams. He wears white rubber fishing boots,
holds a crystal goblet half filled with white wine in one hand
and an invisible red gas can in the other. He is bleeding from
his nose and a spot over his left ear, and he is constantly
clearing his throat! These spirits are driving me crazy! How
can I help them?

Signed,
Short on Patience

Dear Short,

Don't feel bad; you are not the only one to be
haunted by these spirits. Many others are as well. Some know
things but they are afraid to come forward. There is really
nothing to fear. These people will continue to be haunted until
they voice their knowledge to the police, and it is completely
confidential! The Sheriff's Department phone number is 305-
853-3211. You can also call reporter Robert Silk at the Free
Press 305-853-7277. We live in a small town during a
recession. Everyone is understaffed and underpaid. We all
must do our part to help or suffer with our own guilt. Now
Anny Bannanny has a question for the psychic... Do these
spirits see us when we are naked? More next month...

Employee Of The Month:

A young guy from Michigan moves to Florida and goes to a big
everything-under-one-roof department store looking for a job.

The Manager says, 'Do you have any sales experience?'

The kid says 'Yeah.. I was a salesman back in Michigan.'

Well, the boss liked the kid and gave him the job. 'You start tomorrow. I'll
come down after we close and see how you did.'

His first day on the job was rough, but he got through it.

After the store was locked up, the boss came down. 'How many
customers bought something from you today?'

The kid says, 'One.'

The boss says, 'Just one? Our sales people average 20 to 30 customers
a day. How much was the sale for?'

The kid says, '\$101,237.65.!

The boss says, '\$101,237.65? What the heck did you sell?'

The kid says, 'First, I sold him a small fish hook. Then I sold him a medium
fishhook. Then I sold him a larger fishhook. Then I sold him a new fishing
rod. Then I asked him where he was going fishing, and he said down the
coast, so I told him he was going to need a boat, so we went down to
the boat department, and I sold him a twin engine Chris Craft. Then he
said he didn't think his Honda Civic would pull it, so I took him down to
the automotive department and sold him that 4x4 Expedition.'
The boss said 'A guy came in here to buy a fish hook and you sold him
a BOAT and a TRUCK?'

The kid said 'No, the guy came in here to buy Tampons for his wife, and
I said, 'Dude, your weekend's shot, you should go fishing.'
