

Key Players presents... **The Dixie Swim Club** ...A New Comedy

Coming to The Lion's Club in Key Largo in mid-April... mark your calendar to catch one of the six performances of this hilarious, touching play about friendships that last forever.

This new American comedy is one of the most popular plays in the country at the moment. It's about five Southern women whose friendship began many years ago on their college swim team. They set aside a long weekend every August to recharge those relationships. Free from husbands, kids and jobs, they meet at the same beach cottage on North Carolina's Outer Banks to laugh, catch up, and meddle in each other's lives.

The Dixie Swim Club focuses on four of those weekends over a span of thirty-three years and demonstrates the power of teamwork and the strength of love.

This ensemble cast of five showcases some of the amazing talent we enjoy in this community theater group. This play is shaping up to be one of the great ones!

Sheree (Patrice Messina) the team captain and boundless bundle of energy is proud of her organizational skills and her healthy hors d'oeuvres. Wait 'til she finds out what the others think of her healthy snacks.

"Okay, Vernie, start explaining!" Lisa Wetzel (on crutches) plays Vernadette, whose life is like one endless country song...and the hits just keep on coming!

Dinah (Donna Roberts) is the high profile attorney, and her hobby is enjoying an occasional cocktail. The hurricane closing in happens to be one of those occasions.

Lexie (Deanna Richards) just won't shut up about her countless failed relationships with men! Jeri Neal (Fatima DaSilva), Sheree (Patrice Messina), Vernadette (Lisa Wetzel), and Dinah (Donna Roberts) kind of wished they had drowned her in the pool back in college when they had the chance.

Spotlight on **Fatima DaSilva** "Girl Wonder"

Fatima wears many hats in this production: She is the Director; she stars as Jeri Neal, nun and ray of sunshine (and she only picked up the role four weeks prior to the show, when the original cast member was injured); she's made props, sold ads for the program, helped paint the set, puts posters of the show under your windshield wiper, and many other things too numerous to mention. "Girl Wonder" is a title that she has earned without a doubt.

Rotary Club Thanks Community for Record Breaking Flea Market

Upper Keys Rotary's \$170,000 Impact on Scholarships People's Choice Event: Gigantic Nautical Flea Market There's a good reason, why the Upper Keys Rotary Club's Gigantic Nautical Flea Market was voted the favorite annual event over again:

The 15th Annual Event broke all records. The Upper Keys Rotary Club wants to thank the community for all the support received. Thank you sponsors, vendors, customers, officials, and helpers. We could not pull this off without you!

With this event alone the Upper Keys Rotary Club netted about \$100,000, which will be solely spent on scholarships for the Upper Keys youth. With \$24,000 already committed to the "Take Stock In Children" scholarship and their matching grants program, the impact will very well be about \$170,000! About 70 Rotarians, their spouses, kids, friends and

students from our local high schools worked all weekend and the months before.

They organized, assigned shifts, purchased food and beverages, set up kitchens and tents, prepared and served breakfast, lunch and dinner, poured beer, sold water and soft drinks, hauled trash, cleaned up and took down.

The Rotarians and their helpers represent the big family of Rotary. They love what they are doing because the motto is "Service Above Self" and the goal is giving back to the community.

Twenty of the 300 plus available vendor booths were given without charge to other non-for-profit organizations, so that they can be a part of the family and promote their cause. Churches and schools were able to hold successful fund-raisers to sell parking spaces.

The Upper Keys Rotary Club is already in session to prepare for the 16th Annual Gigantic Nautical Flea Market in 2011.
