our pathetically slow computer goodbye."

## Another Collection of Dumb Things People Do

1. When his 38 caliber revolver failed to fire at his intended victim during a hold-up in Long Beach, California would-be robber James Elliot did something that can only inspire wonder. He peered down the barrel and tried the trigger again. This time it worked.
2. The chef at a hotel in Switzerland lost a finger in a meat cutting machine and after a little shopping around, submitted a claim to his insurance company. The company expecting negligence sent out one of its men to have a look for himself. He tried the machine and he also lost a finger. The chef's claim was approved.
3. A man who shoveled snow for an hour to clear a space for his car during a blizzard in Chicago returned with his vehicle to find a woman had taken the space. Understandably, he shot her.
4. An American teenager was in the hospital recovering from serious head wounds received from an oncoming train. When asked how he received the injuries, he said he was trying to see how close he could get his head to a moving train before he was hit.
5. A man walked into a Louisiana Circle-K, put a \$20 bill on the counter, and asked for change. When the clerk opened the cash drawer, the man pulled a gun and asked for all the cash in the register, which the clerk promptly provided.. The man took the cash from the clerk and fled, leaving the \$20 bill on the counter. The total amount of cash he got from the drawer... \$15. (If someone points a gun at you and gives you money, is a crime committed?)
6. Seems an Arkansas guy wanted some beer pretty badly.... He decided that he'd just throw a cinder block through a liquor store window, grab some booze, and run. So he lifted the cinder block and heaved it over his head at the window. The cinder block bounced back and hit the would-be thief on the head, knocking him unconscious. The liquor store window was made of Plexiglas. The whole event was caught on videotape.
