Dear Anny Bannanny

Dear Anny Bannanny,

Here are some things that get my goat! Dried up old hags that have more miles on them than US 1 looking for a sugar daddy and sex for money or a free place to live. Ugh! Shouldn't there be an age limit on this? Violent criminals, arsonists and crack heads in the same room as me. They need a Plantation Key vacation! People that turn in the American Legion to the county and then say they didn't when their signature is on the documents. Barf! Seafood that isn't fresh and smells like it. Political wannabes that put down Key Largo saying "it is not part of the Keys", with little or no experience and have the nerve to challenge our respected incumbents! And, I don't like you either banana face!

Yours truly,
Goatless

Dear Goatless,

Everyone is entitled to their opinion. Especially when they care enough and are intelligent enough to write. Glad you took the smart way to get things off your chest. There is nothing worse than being bothered by a dumb drunken jerk in public. Don't criticize something you know nothing about! Anny Bannanny has four years experience writing this advice column and if you don't like it stick it up your onomatopoeic bleatin' goat butt!

Sincerely,
Anny Bannanny

* We made these ones up.

A Man Went to a Psychiatrist for His Phobia.

"Doc," he said, "I've got trouble. Every time I get into bed, I think there's somebody under it. I get under the bed, I think there's somebody on top of it. Top, under, top, under. You gotta help me, I'm going crazy!"

"Just put yourself in my hands for two years," said the shrink, "Come to me three times a week, and I'll cure your fears."

"How much do you charge?"

"A hundred dollars per visit."

"I'll sleep on it," said the man.

Six months later the doctor met the man on the street.

"Why didn't you ever come to see me again?" asked the psychiatrist.

"For a hundred buck's a visit? A bartender cured me for ten dollars."

"Is that so! How?"

"He told me to cut the legs off the bed!"
