Coco 'Nut' Funnies

The Husband Store

A store that sells new husbands has opened in New York City , where a woman may go to choose a husband. Among the instructions at the entrance is a description of how the store operates:

You may visit this store **ONLY ONCE!** There are six floors and the value of the products increase as the shopper ascends the flights. The shopper may choose any item from a particular floor, or may choose to go up to the next floor, but you cannot go back down except to exit the building!

So, a woman goes to the Husband Store to find a husband. On the first floor the sign on the door reads:

Floor 1 - These men Have Jobs

She is intrigued, but continues to the second floor, where the sign reads:

Floor 2 - These men Have Jobs and Love Kids.

'That's nice,' she thinks, 'but I want more.' So she continues upward. The third floor sign reads:

Floor 3 - These men Have Jobs, Love Kids, and are Extremely Good Looking.

Wow,' she thinks, but feels compelled to keep going.

She goes to the fourth floor and the sign reads:

Floor 4 - These men Have Jobs, Love Kids, are Drop-dead Good Looking and Help With Housework.

'Oh, mercy me!' she exclaims, 'I can hardly stand it!' Still, she goes to the fifth floor and the sign reads:

Floor 5 - These men Have Jobs, Love Kids, are Drop-dead Gorgeous, Help with Housework, and Have a Strong Romantic Streak.

She is so tempted to stay, but she goes to the sixth floor, where the sign reads:

Floor 6 - You are visitor 31,456,012 to this floor. There are no men on this floor. This floor exists solely as proof that women are impossible to please. Thank you for shopping at the Husband Store.

PLEASE NOTE:

To avoid gender bias charges, the store's owner opened a New Wives store just across the street.

The first floor has wives that love sex.

The second floor has wives that love sex and have money and like beer.

The third, fourth, fifth and sixth floors have never been visited.

Valentine's Gift Humor

A young woman was taking an afternoon nap last Valentine's Day. When she woke up, she told her husband, "I just dreamed that you gave me a pearl necklace for Valentine's day. What do you think it means?"

"You'll know tonight." he said with a smile.

That evening, the man came home with a small package and gave it to his wife. Delighted, she opened it--only to find a book entitled "The meaning of dreams".

Bored at Work?

Next time you're bored at work and are buzzed by a few flies consider doing this. Kill and dry a few of the flies, then let your imagination go.
