Our best customers are the bar owners and hotel

Our advice is "Don't come here on vacation and leave on probation". Drink but don't drive. Call Mom's Taxi 305 852-6000 or 305-451-9700.

Dear Anny Bannanny

Dear Anny Bannanny,
The other day a crazy lady came into the bar and brought with her a little box. The box was stamped and addressed to the her Key Largo address and inside was a few pieces of dried up cat excrement. Someone had left it in her mailbox! She passed the box around the bar and then accused everyone there that owned a cat of sending it to her. She is taking the box and specimen to the Post Office to test for fingerprints!
I have volunteered a stool sample from my cat for DNA purposes to clear my name. Granted, this lady may not be well liked, but why would someone put cat cat ca-ca in her mailbox?
Signed,
Cat Lady

Dear Cat Lady,
Now isn't that the cats meow! First you must make absolutely sure that it is indeed cat crap. Pick it up and take a good sniff. Break it apart and examine it closely. Roll it between your fingers. Does it break apart? If there is cat evidence of kitty litter it came from a house cat. If not it is an outdoor cat.
Since this woman probably lets her cat use the neighbors yard as a toilet I'd check there first. They may be trying to make a point. My guess is her neighbors are fed up and the crap belongs to her own stinking cat! Just to be on the safe though, tell everyone to save a sample of their cats crap in case testing is needed. Label it properly (example: Tabby, Calico, Cougar, etc.). Do NOT put it in a mailbox as that is a federal offense. Who let the cat out of the bag anyway?
Signed,
Anny Bannanny

Seeing Eye Dogs

Two women were out for a Saturday stroll with their dogs. One had a Doberman and the other, a Chihuahua.

As they walked down the street, the one with the Doberman said to her friend, "Let's go over to that bar for a drink."

The lady with the Chihuahua said, "We can't go in there. We've got the dogs with us."

The one with the Doberman said, "Just watch, and do as I do." They walked over to the bar and the one with the Doberman put on a pair of dark glasses and started to walk in... the bouncer at the door said, "Sorry, lady, no pets allowed."

The woman with the Doberman said, "You don't understand. This is my seeing-eye dog."

The bouncer said, "A Doberman?"

The woman said, "Yes, they're using them now. They're very good."

The bouncer said, "OK, come on in."

The lady with the Chihuahua thought that convincing him that a Chihuahua was a seeing-eye dog may be a bit more difficult, but thought, "What the heck," so she put on her dark glasses and started to walk in.

Once again the bouncer said, "Sorry, lady, no pets allowed." The woman said, "You don't understand. This is my seeing-eye dog."

The bouncer said, "A Chihuahua?"

The woman said indignantly, "A Chihuahua? They gave me a freakin' Chihuahua !!??"

A special thank you to Gillian Gates from Canada for this joke.
