Dear
Anny
Bannanny

Dear Anny Bannanny,

What's a skank? When I was sitting at the bar the other morning having a pitcher of beer someone called me a skank. I've never heard that word. Is this a word that's only used in the Keys, like "Keys Disease"?

Yours truly,

The Skank

Dear Skank,

I'm afraid skanks are not indigenous to the Keys. According to the Urban Dictionary a skank is a derogatory term for a female that implies trashiness, tackiness, low class status, poor hygiene, flakiness and ugliness. It may also imply promiscuity, but not necessarily so. It is most commonly used to describe white trash but can be used for any race or nationality.

What were you wearing at the time of the verbal assault? When is the last time you took a shower? Were you wearing fresh makeup or false eyelashes caked with months of dirt? Now that's skanky! Did you shave your legs and armpits? Use deodorant? Did you wash your hair and use conditioner or was it dull and brittle like an alcoholic? How about your feet, are they clean or filthy in flip flops?

It reminds me of a joke.... A guy walks up to a girl at the bar and asks her "Can I smell your twat?" The girl angrily replies "No!" Then the guy says, "Sorry, then it must be your feet," and walks away.

Here in the Keys, a skank is a female who has been arrested for several DUI's. A skank usually has a white powdery substance in their nostril. They use the ladies room but don't flush or wash their hands. They'll steal your cigarettes when you aren't looking. They'll also push a one-legged veteran out of his chair so they can sit their fat, ugly butt at the bar. If you answered yes to any of the above you are indeed a skank and seriously need to visit a beauty shop that specializes in de-skanking.

Yours Truly,

Anny Bannanny

Dear Anny Bannanny,

Words of my father haunt me now that I am living here in this "one-horse town" and dealing with the rumors a small town offers up. If you have never lived behind my doors or walked in my shoes how is it that you dare to judge me? With all the Keys Disease and alcoholism running amuck everyone seems to turn the other way, even family members.
