## Enchanted Sea Crystals

### Natural Sea Salt Potpourri

Perhaps you have noticed that your feeling of well being is intensified in pure mountain air, or at the seashore, or after a thunderstorm. This is due to the higher concentration of negative ions in these surroundings. Objects that release negative ions are believed to purify air and promote good health.

Enchanted Sea Crystals are pure ionic sea salt crystals, solar evaporated from the clear blue waters of the Caribbean Sea; colored in rich hues and infused with pure oils to provide lasting fragrance. The fragrance from the crystals is as strong as candles, yet it is safe to your health and environment.

Enchanted Sea Crystals will retain their fragrance up to three months (without adding more fragrance oil) depending on the environmental conditions of the room. Direct sunlight and strong air exposure will cause the fragrance oils to evaporate faster but will not affect the ionic value.

## Artist of the Month – MK Jackson

MK Jackson is a native Texan with 16 years in the arts. She began her career in the fashion industry as the Lead Designer for Mad Outre, a couture bridal gown label.

MK began commissioning private work in the Keys about 3 years ago, during an annual month-long visit to Island Dolphin Care for her eldest daughter, who challenges cerebral palsy. MK is the published author of a children's book, “My Name is Guenavere, And I Talk Through My Eyes.” The book deals with special needs and educating, it teaches that “different” is not scary.

MK is an acrylic artist, specializing in portrait work, favoring memorial art. She donates portraits to Dallas Children's Hospital, Cook Children's Medical Center, and Artists For A Cause, to bring parents comfort during a loss.

MK works on a large scale with mosaics, adding art to common spaces where they are least expected, such as an octopus in dazzling glass wrapped around a pool, or a leaping stallion behind a spa tub.

Pieces such as glass flamingos dancing in a kitchen behind a counter, or a king lion behind a man-cave bar make her work not only unusual, but an eye-enchanting surprise.

MK also has donated art for the annual Island Dolphin Care auction, featured in their annual November event. She is the Featured Artist of the Month at the restructured art store, The Art Box at mm100.6 and has teamed up with Jon & Joanna Dreaver, to instruct daily art classes throughout the week. Basic mosaic and painting classes are currently ongoing as well as a morning mosaic class for kids 12-18 years. To view a schedule, please visit The Art Box or call 305-451-5461 and sign up, as seating is limited. Check out The Art Box on Facebook.
