Vangelis

God Only Loans His Angels

God only loans us His Angels
for a very short time
His gift to us is most sublime.
There is no promise
how long they'll stay
Just know they're here
to light your way
What's left for you,
the love you've known
The life you've shared,
you'll call your own
The lessons he taught
with his loving hand
The lives he's touched
while upon this land
So love these angels as long as you can
And know someday
you will again hold their hand.
