Enchanted Sea Crystals

Natural Sea Salt Potpourri

Perhaps you have noticed that your feeling of well being is intensified in pure mountain air, or at the seashore, or after a thunderstorm. This is due to the higher concentration of negative ions in these surroundings. Objects that release negative ions are believed to purify air and promote good health.

Enchanted Sea Crystals are pure ionic sea salt crystals, solar evaporated from the clear blue waters of the Caribbean Sea; colored in rich hues and infused with pure oils to provide lasting fragrance. The fragrance from the crystals is as strong as candles, yet it is safe to your health and environment.

Enchanted Sea Crystals will retain their fragrance up to three months (without adding more fragrance oil) depending on the environmental conditions of the room. Direct sunlight and strong air exposure will cause the fragrance oils to evaporate faster but will not affect the ionic value.

Our community is growing young musicians! At its final concert of the 2011-2012 season, the Keys Community Concert Band honored the local music students who participated in the annual Young Musicians' Concert. Conducted by Coral Shores Bandmaster Robert Sax, band members and students presented an entertaining program of concert band music.

The Young Musicians' Concert was supported by the Hurlburt Family Foundation, with additional funding from the First State Bank. Students who rehearsed with the Band and performed in the final concert received either a metronome/tuner or gift card for musical supplies.

Participants in the Young Musicians' Program included the following: Key Largo Schools: Seamus Dougherty, Destiny Ruiz, Braeden Barnhill, Savannah Hernandez, Amber Nelson, Julie Polston, Janet Polston, Julia Talamo, Luis DeLaFuente, Oscar Flores, Hannah Vinney, Katarina Wronka. Plantation Key School: Billy Butler. Coral Shores High School: Josh Paquette, Taylor McDaniel, Nyan Feder, Chelsea Penne, Alex Vinney, Jesus Mora, Ryan Raines, Zak Wronka

"Pops in the Park" is funded, in part, by a grant from the Monroe County Tourist Development Council, administered by the Florida Keys Council of the Arts.
