

Bob Regan Fishing Bash

The 4th Annual Bob Regan Bloody Mary Fishing Bash held Sunday March 4th at the Islamorada Fishing Club was a huge success. Anglers and friends of Bob gathered for the festivities that included a Bloody Mary party at the Islamorada Fishing Club from 8-10 a.m. Some braved the windy weather and a storm line as a cold front passed. Others just came and enjoyed the festivities. The post-party reconvened that evening at 5 p.m.

"This is one of the great, fun events held at the Islamorada Fishing Club," said tournament chairman Dianne Harbaugh. "This is a family fun event that was Bob Regan's idea. He wanted to have a party that included fishing and in his memory we serve his famous conch chowder every year." The tournament winners were:

Most Species	Cathy Langston	4 different species
Least Specie	Karen Merriam	1-Black Grouper
Longest Fish	Pat Kelley	30" Tarpon
Shortest Fish	John Langston	5-1/2" Snapper
Unusual Catch	Kim Dankenbring	Sea Bream Porgie
Most of Single Species	Pop Farrell	10 Mangrove Snapper
Hard Luck	Judi Bray	
First Released Redfish and Longest Fish by a Junior Angler: Kennedy Dankenbring 27" Redfish		

Everyone enjoyed the awards bash that not only included Bob's famous conch chowder, but a great BBQ and an open bar compliments of tournament supporters and sponsors. Winners of the event won entry into next year's tournament.

The Islamorada Fishing Club would like to thank those who made this fun event possible: Charlen Regan, Tom and Judi Bray, Ted and Wayne Parker, Pat and Glenda Kelley, Art Feinberg, Bob and Susie Temkin, Steven and Pam Shea, Whitney and Katrina Lavene, Toby and David Goldfinger, Bob Royall, and Cheryl Cuberson. We could not have done it without you!

Cathy Langston won for most species caught in the recent annual Bob Regan Fishing Bash. She caught four different species of fish.

At the fourth annual Bob Regan Fishing Bash Judi Bray received the hard luck award. The boat was full so she had to go shopping.

Bartender of the Month Sabrina Lee at D-Hooker

The Coconut Telegraph is pleased to have the enchantingly beautiful Sabrina Lee from D-Hookers as our March Bartender of the Month.

Lee is a local Key Largo girl who moved away for a few years but the beauty and serenity of our islands brought her back to us.

When Sabrina isn't serving drinks and delicious food at D-Hooker she is home tending to her two dogs, fish tank and hedgehog. Yes, I did say hedgehog. Sabrina is a homebody at heart, but loves her regular customers and is proud of the great food she serves.

Stop by for happy hour. Sabrina is there Wednesday through Sunday. Try the chicken wings, the Coconut Telegraph loves them. And you can bet your bippy that they won't have hedgehog on the menu.

Enchanted Sea Crystals

Natural Sea Salt Potpourri

Perhaps you have noticed that your feeling of well being is intensified in pure mountain air, or at the seashore, or after a thunder-storm. This is due to the higher concentration of negative ions in these surroundings. Objects that release negative ions are believed to purify air and promote good health.

Enchanted Sea Crystals are pure ionic sea salt crystals, solar evaporated from the clear blue waters of the Caribbean Sea, colored in rich hues and infused with pure oils to provide lasting fragrance. The fragrance from the crystals is as strong as candles, yet it is safe to your health and environment.

Enchanted Sea Crystals will retain their fragrance up to three months (without adding more fragrance oil) depending on the environmental conditions of the room. Direct sunlight and strong air exposure will cause the fragrance oils to evaporate faster but will not affect the ionic value.
