

The Best Revenge

My friend is having a hard time after her divorce, and so I offer these suggestions to exact revenge when you need to:

1. **Sell all the jewelry he gave you.** What better way to get revenge than to pawn the jewelry the Ex gave you? Put it all in a bag and take it to Bill at Coral Financial Jewelry and Pawn and tell him we sent you. You will walk out with a wad of cash in your hand and a big smile on your face.

2. **Get a temporary tattoo.** Drive to Key West and find one of the many temporary tattoo artists, my favorite is outside the front door of Fat Tuesdays on Duval Street. Ask them to write boldly on your arm or get a tramp stamp on your back (the more visible the better) the name of your Ex's worst enemy. The cost depends on the size \$30 to \$70 should do it. While you're there spend some of that jewelry money on a frozen margarita.

3. **Write a hit song.** A broken heart is sometimes the best motivator for writing a hit song and getting a million dollar

recording contract. Always have a pad and pen readily available so when you are drinking away your sorrows and the words come to mind you will be prepared.

4. **Get a hair cut.** Chances are your Ex really likes your hair so go to the beauty shop and get a new hair style. You'll feel like a million dollars and who cares about that Ex anyway? Wash him or her out of your hair.

5. **Bonk his best friend.** Yes, we know this isn't very nice but it happens all the time. Whether you are the bonkee or the bonker it is a guaranteed good time and you may just gain some material for your song unless.....

6. **Down and dirty.** We do not recommend this, however, for \$20 you can purchase live pubic lice at crabrevenge.com. Seriously! They come in a plastic vial and you just sprinkle them on the persons chair or in their car that done you wrong. Their motto is "make that bitch itch." For \$50 there is also a stronger strain that is even resistant to drugstore shampoo. Perfect for that "nitpicking" louse you used to care about. By the way, the Coconut Telegraph prefers pubic lobsters.

The best revenge is to just get on with your life. Scheming and plotting revenge is just letting the person who hurt you occupy space inside your head, rent free. Contrary to popular belief the opposite of love is not hate. Hate is a strong emotion. The opposite if love is indifference or apathy, but really now, who cares?
