2012 Keys Kids Fishing Derby a Huge Success

131 Keys Kids, 10 years old and younger, participated in the 15th annual Keys Kids Fishing Derby on September 30th. Junior anglers pay no fee to participate in this event. They may fish in one of three different divisions, Offshore, Shoreline or Backcountry. Hosted at the Lorelei, ditty bags packed full of fishing goodies from many local business and other donors were handed out to all kids who fished.

The Grand Champion Angler Michael Anchetta age 9 weighed in a 37.2 lb. Amberjack, the largest fish in the tournament. Largest fish in the Offshore division went to Beau Vaeth age 7 with a 35.8 pound amberjack. Fishing with his dad, angler Asher Cockerham age 9, weighed in the largest fish in the Backcountry division, a Barracuda at 20.7 lbs.

(released). Fishing from the docks at the Lorelei, with bait donated from Tackle Center of Islamorada and a number of fishing guides, angler Dylan Burley age 6 weighed in the largest fish in the Shoreline division, a 2.3 lb. Mangrove Snapper.

A huge thank you goes to the Lorelei for chumming the waters for our junior anglers. About one half of the kids fished from the shore. A casting contest was held on the beach where anglers won a multitude of prizes. All the winners received a donated Pasta Pantaleo print, fishing rod and trophy. Special thanks goes to the Captains who donated their boats and took kids fishing.

And finally, thanks all those who helped to make this event the success it was. We can't wait until next year!

Fallen Friends

Farewell to thee, but not farewell
To all my fondest thoughts of thee:
Within my heart they still shall dwell;
And they shall cheer and comfort me.
