Blond MEN Jokes

A friend told the blond man: "Christmas is on a Friday this year." The blond man then said, "Let's hope it's not the 13th."

Two blond men find three grenades, and they decide to take them to a police station. One asked: "What if one explodes before we get there?" The other says: "We'll lie and say we only found two."

A woman phoned her blonde neighbor man and said: "Close your curtains the next time you & your wife are having sex. The whole street was watching and laughing at you yesterday." To which the blonde man replied: "Well the joke's on all of you because I wasn't even at home yesterday."

A blonde man is in the bathroom and his wife shouts: "Did you find the shampoo?" He answers, "Yes, but I'm not sure what to do... it's for dry hair, and I've just wet mine."

A blonde man goes to the vet with his goldfish. "I think it's got epilepsy," he tells the vet. The vet takes a look and says, "It seems calm enough to me." The blonde man says, "Wait, I haven't taken it out of the bowl yet."

A blond man spies a letter lying on his doormat. It says on the envelope "DO NOT BEND." He spends the next 2 hours trying to figure out how to pick it up.

A blond man shouts frantically into the phone "My wife is pregnant and her contractions are only two minutes apart!" "Is this her first child?" asks the Doctor. "No!" he shouts, "this is her husband!"

A blonde man was driving home, drunk as a skunk. Suddenly he has to swerve to avoid a tree, then another, then another. A cop car pulls him over, so he tells the cop about all the trees in the road. The cop says, "That's your air freshener swinging about!"

A blonde man's dog goes missing and he is frantic. His wife says "Why don't you put an ad in the paper?" He does, but two weeks later the dog is still missing.

"What did you put in the paper?" his wife asks. "Here boy!" he replies.

A blond man is in jail. Guard looks in his cell and sees him hanging by his feet.

"Just WHAT are you doing?" he asks.

"Hanging myself," the blond replies. "It should be around your neck" says the guard. "I tried that," he replies, "but then I couldn't breathe."

An Italian tourist asks a blonde man: "Why do Scuba divers always fall backwards off their boats?" To which the blonde man replies: "If they fell forward, they'd still be in the boat."

HAPPY TURKEY DAY!

Three women go down to Mexico one night, get drunk, and wake up in jail, only to find that they are to be executed in the morning, though none of them can remember what they did the night before.

The first one, a redhead, is strapped in the electric chair, and is asked if she has any last words. She says, "I am from Grace University, and believe in the almighty power of God to intervene on the behalf of the innocent," They throw the switch and nothing happens.

They all immediately prostrate themselves; beg for her forgiveness, and release her.

The second one, a brunette, is strapped in and gives her last words, "I am from the Creighton School of Law and I believe in the power of justice to intervene on the part of the innocent." They throw the switch and again, nothing happens.

Again, they all immediately prostrate themselves; beg for her forgiveness, and release her.

The last one, a blonde, is strapped in and says, "Well, I'm from the University of Alabama, Huntsville and just graduated with a degree in Electrical Engineering, and I'll tell you right now, you ain't gonna electrocute nobody if you don't plug this thing in."

A policeman pulls a driver over for swerving in and out of lanes on the highway. He tells the guy to blow into a breathalyzer. "I can't do that, officer, I'm an asthmatic. I could get an asthma attack if I blow into that tube."

"OK, we'll just get a urine sample down at the station."

"Can't do that either, officer. I'm a diabetic. I could get low blood sugar if I pee in a cup."

"Alright, we could get a blood sample."

"Can't do that either, officer. I'm a hemophiliac. If I give blood, I could die."

"Fine then, just walk this white line."

"Can't do that either, officer."

"Why not?"

"Because I'm drunk."

Enchanted Sea Crystals

Perhaps you have noticed that your feeling of well being is intensified in pure mountain air, or at the seashore, or after a thunder-storm. This is due to the higher concentration of negative ions in these surroundings. Objects that release negative ions are believed to purify air and promote good health.

Enchanted Sea Crystals are pure ionic sea salt crystals, solar evaporated from the clear blue waters of the Caribbean Sea; colored in rich hues and infused with pure oils to provide lasting fragrance. The fragrance from the crystals is as strong as candles, yet it is safe to your health and environment.

Enchanted Sea Crystals will retain their fragrance up to three months (without adding more fragrance oil) depending on the environmental conditions of the room. Direct sunlight and strong air exposure will cause the fragrance oils to evaporate faster but will not affect the ionic value.

Newest Ford Car

Renault and Ford are working on a new small car for women. They are mixing the Clio and the Taurus, and calling it the "Clitaurus."

It comes in pink and the average male thief won't be able to find it, even if someone tells him where it is.
