Don't forget to honor the men in your life!

The word "daddy" is not defined by whether or not a man has a biological child. You can never produce a child and be a Daddy, likewise you can have 20 kids and never be a "daddy".

A Daddy is a man who cares for a child's both physical and emotional needs. He puts the child's wants and needs ahead of his own.

A true Daddy is hard to come by, but a truly special thing.

Happy Father's Day!
