Summer Tips from Up Your Hair

Up Your Hair Salon, the
new full service salon and
blowout bar, is coming at you
with your monthly beauty tips,
new summer products, and
secrets of the trade.

It's time for high shine!
This summer we are taking it
back, that is slicking it back.
Using silicones and gels, it's all
about pushing it off the face,
following with shine and
ending in a sleek ponytail or
light curls.

Not into gel? Headbands
are all the rage, they keep you
cool and look great without all
the product.

Purple. All different
shades, from plum to violet
and from eyes to lips... get
ready for the purple invasion.
Makeup trends say purple is
the new black!

Your outfit will never be
complete without the nails.

This summer, set aside the
neons, we're moving into
primary colors, nothing too
flashy, simply solid.

Check out these products!
Beat the heat with Weather
Proof. Sexy Hair line has the
perfect product for residents
of the Keys, a final styling
step, spray to seal in your style
and lock out humidity, no more
frizz with Weather Proof.

There's a new line in MAC
Makeup Products, Positively
Splashing. Unlock your beauty
potential from the runway to
the beach with a waterproof
eyeliner and mascara from
MAC. Long lasting and vibrant
— don't get washed away this
summer!
