Short Attention Span Corner

What do you call a Frenchman wearing sandals?
Philippe Philoppe.

Whoever stole my Microsoft Office: you are in big trouble.
You have my Word.

When my girlfriend said she was leaving because of my ob-
session with The Monkees, I thought she was joking.
Then I saw her face.

A priest, a rabbi, a monk, a prostitute, a gay guy, a horse,
an elephant, a doctor and a lawyer walk into a bar. The bar-
tender says "What is this? Some kind of joke?"

A blonde and her husband were watching the evening
news together. The newsreader said "In international news,
a disaster near Rio de Janeiro today. Five Brazilian men died
in a skydiving accident "
The blonde burst into tears, and her husband couldn't
comfort her. "They were participating on a risky sport, and
they knew the dangers," he said.
Through her tears, the blonde woman said "But that's
just so terrible! How many is a Brazilian?"
