Enchanted Sea Crystals

Natural Sea Salt Potpourri

Perhaps you have noticed that your feeling of well being is intensified in pure mountain air, or at the seashore, or after a thunder-storm. This is due to the higher concentration of negative ions in these surroundings. Objects that release negative ions are believed to purify air and promote good health.

Enchanted Sea Crystals are pure ionic sea salt crystals, solar evaporated from the clear blue waters of the Caribbean Sea; colored in rich hues and infused with pure oils to provide lasting fragrance. The fragrance from the crystals is as strong as candles, yet it is safe to your health and environment.
