**What are you waiting for?**

SSF ©: Christophe Leberger

The map illustrates the Florida Keys archipelago, stretching from Key West in the southwest to Key Largo in the northeast. It is divided into three distinct regions: the Lower Keys (southwest), Middle Keys (center), and Upper Keys (northeast). Major landmarks and locations are labeled, including Key West, Key Largo, Homestead, and various state parks and sanctuaries. The map also shows the Gulf of Mexico, Florida Bay, and the Atlantic Ocean. A pirate ship icon is located in the top left corner, and a compass rose indicates North. The map is framed by a decorative border with a torn paper effect.
