## JAPANESE EROTICA

A Japanese couple is arguing about how to perform highly erotic sex:  
Husband: "Sukitaki. Mojitaka!"  
Wife replies: "Kowanini! Mowi janakpa!"  
Husband says angrily: "Toka a anji rodi roumi yakool!"  
Wife on her knees literally begging: "Mimi nakoundinda tinkouji!"  
Husband shouts: "Na miaou kina Tim kouji!"

Can you believe you just sat there trying to read this - you don't even know Japanese. Some people will read anything as long as it's about sex.

## Are my testicles black?

A male patient is lying in bed in the hospital, wearing an oxygen mask over his mouth and nose.  
A young student nurse appears and gives him a partial sponge bath.  
"Nurse," he mumbles from behind the mask, "are my testicles black?"  
Embarrassed, the young nurse replies, "I don't know, Sir. I'm only here to wash your upper body and feet."  
He struggles to ask again, "Nurse, please check for me. Are my testicles black?"  
Concerned that he might elevate his blood pressure and heart rate from worrying about his testicles, she overcomes her embarrassment and pulls back the covers.

She raises his gown, holds his manhood in one hand and his testicles gently in the other.  
She looks very closely and says, "There's nothing wrong with them."  
Sir. They look fine." The man slowly pulls off his oxygen mask, smiles at her, and says very slowly, "Thank you very much. That was wonderful."  
Now listen very, very closely:  
Are - my - test - results - back?"

Thank you Trader Dick

## An Interesting Breakfast

She was standing in the kitchen, preparing our usual soft-boiled eggs and toast for breakfast, wearing only the T shirt that she slept in.  
As I walked in, almost awake, she turned to me and said softly, "You've got to make love to me this very moment!"  
My eyes lit up and I thought, "I am either still dreaming or this is going to be my lucky day!" Not wanting to lose the moment, I embraced her

and then gave it my all, right there on the kitchen table.  
Afterwards she said, "Thanks," and returned to the stove, her T-shirt still around her neck.  
Happy, but a little puzzled, I asked, "What was that all about?"  
She explained, ... "The egg timer's broken."

Hard work pays off in the future.  
Laziness pays off now.
