Sleek Parts and Darker Brows for March

Up Your Hair is here to tell you this month's beauty trends. Hair, makeup, and nails... find out how to get that runway look here!

As we look at what the new month brings in, it's time to discuss dos and don'ts. We see the latest styles displayed on beautiful models around the world, but what do we take from that look and what should we leave to the professionals?

Breaking down the runway door we are seeing center parts, straight and shiny or messy and wet, thick bushy eyebrows and minimal makeup.

Remember that models have the extreme exaggerated versions of our newest "dos" and that can easily turn into a daily "don't." Try a center part with sleek barreling curls or a side part straight and smooth, finishing in a low ponytail.

The bushy eyebrows may work for some, a variation of this would be darker brows to bring attention to the eyes leading to a pastel eye shadow with dark bottom lid liner, or we can wing it, that is, wing our eyeliner into a dramatic cat eye, finishing with a light gloss or pastel matte lip.

IF YOU MARRY AN IRISH GIRL

The first man married a woman from Italy. He told her that she was to do the dishes and house cleaning. It took a couple of days, but on the third day, he came home to see a clean house and dishes washed and put away.

The second man married a woman from Poland. He gave his wife orders that she was to do all the cleaning, dishes and the cooking. The first day he didn't see any results, but the next day he saw it was better. By the third day, he saw his house was clean, the dishes were done and there was a huge dinner on the table.

The third man married a girl from Ireland. He ordered her to keep the house clean, dishes washed, lawn mowed, laundry washed, and hot meals on the table for every meal. He said the first day he didn't see anything, the second day he didn't see anything but by the third day, some of the swelling had gone down and he could see a little out of his left eye, and his arm was healed enough that he could fix himself a sandwich and load the dishwasher. He still has some difficulty when he pees...
