

**Beer Can Vasectomy**

After their 11th child, a Kentucky couple decided that was enough, as they could not afford a larger bed.

So the husband went to his veterinarian and told him that he and his cousin didn't want to have any more children.

The doctor told him that there was a procedure called a vasectomy that could fix the problem but that it was expensive.

"A less costly alternative," said the doctor, "is to go home, get a cherry bomb, (fireworks are legal in Kentucky) light it, put it in a beer can, then hold the can up to your ear and count to 10."

The Kentuckian said to the doctor, "I may not be the smartest fool in the shed, but I don't see how putting a cherry bomb in a beer can next to my ear is going to help me."

"Trust me," said the doctor.

So the man went home, lit a cherry bomb and put it in a beer can. He held the can up to his ear and began to count!

"1" "2" "3" "4" "5"

At which point he paused, placed the beer can between his legs and continued counting on his other hand.

This procedure also works in: Alabama, Tennessee, Louisiana, Arkansas, Mississippi, parts of: Georgia, Missouri, West Virginia, and all of Washington DC!

Thank you Trader Dick!

## Halloween Horror Story

A couple was invited to a swanky costume party. Unfortunately, the wife came down with a terrible headache and told her husband to go to the party alone.

He, being a devoted husband protested, but she argued and said she was going to take some aspirin and go to bed and there was no need for his good time being spoiled by not going.

So he took his costume and away he went. The wife, after sleeping soundly for about an hour, awakened without pain and, as it was still early enough, decided to go to the party.

Since her husband did not know what her costume was, she thought she would have some fun by watching her husband to see how he acted when she was not with him.

She joined the party and soon spotted her husband cavorting around on the dance floor, dancing with every nice woman he could, and copping a little touch here and a little kiss there.

His wife sidled up to him and being a rather seductive babe herself, he left his current partner high and dry and devoted his time to the new babe that had just arrived. She let him go as far as he wished...naturally (since he was her husband).

Finally, he whispered a little proposition in her ear and she agreed. So off they

went to one of the cars and had a quickie.

Just before unmasking at midnight, she slipped away, went home, put the costume away and got into bed, wondering what kind of explanation he would make for his behavior.

She was sitting up reading when he came in, and she asked what kind of a time he had.

He said: "Oh, the same old thing. You know I never have a good time when you're not there."

"Did you dance much?"

"You know, I never even danced one dance. When I got there, I met Pete, Trader Dick and some other guys, so we went into the den and played poker all evening. But you're not going to believe what happened to the guy I loaned my costume to."

(Guess who sent this in!)

## Women and Home Depot

Charlie was installing a new door and found that one of the hinges was missing.

He asked his wife Mary if she would go to Home Depot and pick up a hinge.

Mary agreed to go. While she was waiting for the manager to finish serving a customer, her eye caught a beautiful bathroom faucet. When the manager was finished, Mary asked him, "How much is that faucet?" The manager replied, "That's a gold plated faucet and the price is \$500.00."

Mary exclaimed, "My goodness, that's an expensive faucet and certainly out of my price range!" She then proceeded to describe the hinge that Charlie had sent her to buy.

The manager said that he had them in stock and went into the storeroom to get one. From the storeroom the manager yelled, "Ma'am, you wanna screw for the hinge?"

Everyone loves Halloween.

Mary shouted back, "No, but I will for the faucet."

This is why you can't send a woman to Home Depot.
