

Another Blonde,  
Another Day

A blonde in a bar is hunched over her martini, spearing at the olive with a cocktail stick.

A dozen times the olive eludes her until a man sitting next to her grabs the stick and skewers it for her. "That's the way to do it," he says.

"Big deal," replies the blonde sulkily. "You'd never have gotten it if I hadn't tired it out first."

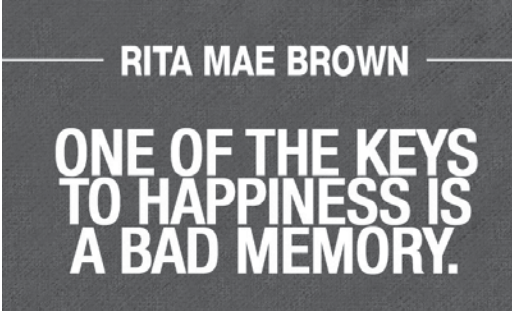

"Don't look now but it's that guy from Pennsylvania you dumped last month."

Did you hear? Baby's Coffee was robbed last month! No joke.

About That "Procedure"

A plastic surgeon invented a radical new face lift procedure and was explaining it to a prospective patient.

He told her, "I'll install a special screw in the top of your skull. Your hair will cover it, so it will be unnoticed. Whenever you need a little tuck, we'll just tighten the screw a little, and the wrinkles will disappear!"

The woman was enthused and told the doctor to go for it.

The surgery was a resounding success, and the woman went home happy.

A few months later, the woman returned in a great state of agitation. She pointed to her face and said, "Just look at these bags under my eyes! Where the hell did they come from?"

The surgeon looked at her closely and said, "Those are not bags under your eyes. Those are your breasts. And if you don't stop messing around with that screw, pretty soon you'll have a goatee!"

From the Back Pew

A pastor's wife was expecting a baby, so he stood before the congregation and asked for a raise. After much discussion, they passed a rule that whenever the pastor's family expanded; so would his paycheck.

After 6 children, this started to get expensive and the congregation held another meeting to discuss the pastor's expanding salary. A great deal of yelling and inner bickering ensued, as to how much the pastor's additional children were costing the church, and how much more it could potentially cost.

After listening to them for about an hour, the pastor rose from his chair and spoke, "Children are a gift from God, and we will take as many gifts as He gives us."

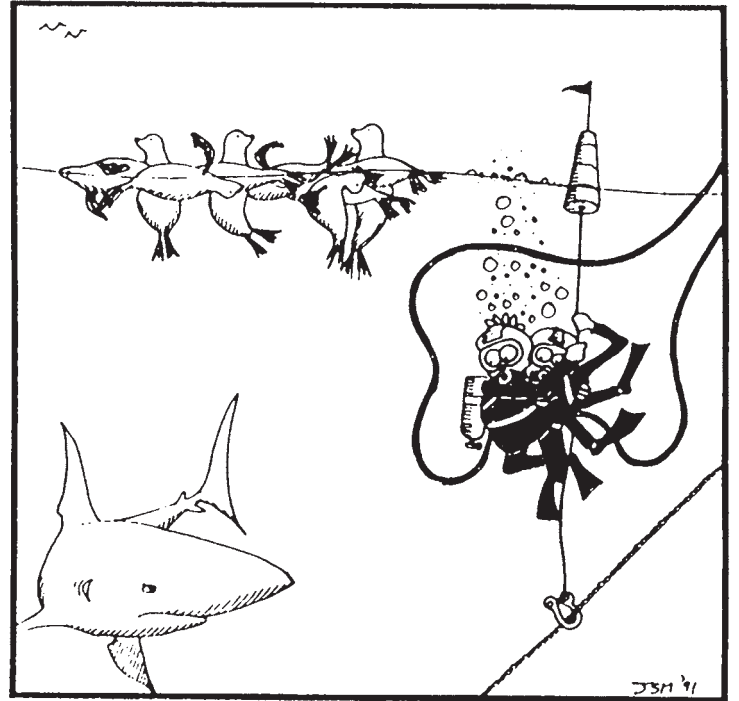

Silence fell over the congregation.

In the back pew, a little old lady struggled to stand, and finally said in her frail voice, "Rain is also a gift from God, but when we get too much of it, we wear rubbers."

The entire congregation said, "Amen."
