

A blonde walks into a bar...

A man entered the country club bar with both of his front pockets full of golf balls and sat down next to a beautiful blonde.

The puzzled blonde kept looking at him and his bulging pockets.

Finally, after many such glances from her, he said: "It's golf balls."

Nevertheless, the blonde continued to study him for a very long time, deeply thinking about what he had said.

After several minutes, not being able to contain her curiosity any longer, she asked; "Does it hurt as much as tennis elbow?"

And then she drove home...

A young woman had a flat tire on the interstate.

She eased her car over to the shoulder of the road carefully, got out of the car and opened the trunk.

She took out two cardboard women, unfolded them and stood them at the rear of her car facing oncoming traffic. They looked so lifelike you wouldn't believe it! They were in trench coats exposing their nude bodies to the approaching drivers.

As she expected, cars started slowing down looking at her lifelike ladies. And of course, traffic started backing up. Everybody was tooting horns and waving like crazy.

It wasn't long before a state trooper pulled up behind her. He got out of his car and started walking toward her. He was definitely not happy.

"What's going on here?" he asked.

"My car has a flat tire," the woman said calmly.

"Well, what the hell are those obscene cardboard women doing here by the road?"

The lady looked flabbergasted that he didn't know.

"Hellooooo, those are my emergency flashers!"

GOLF ACCIDENT

Many years ago during my married days, just prior to my divorce, I accidentally overturned my golf cart.

Elizabeth, a very attractive and keen golfer, who lived in a villa on the golf course, heard the noise and called out: "Are you okay, what's your name?"

"It's John, and I'm okay thanks," I replied as I pulled myself out of the twisted cart.

"John, she said, (firm loose breasts undulating beneath her white silky robe) "forget your troubles. Come to my villa, rest a while and I'll help you get the cart up later."

"That's mighty nice of you," I answered, "but I don't think my wife would like it."

"Oh, come on now" Elizabeth insisted.

She was so very pretty, very very sexy and very persuasive... I was weak. "Well okay," I finally agreed but thought to myself, "My wife won't like it."

After a couple of restorative scotch and waters, I thanked Elizabeth. "I feel a lot better now, but I know my wife is going to be really upset. So I'd best go now."

"Don't be silly!" Elizabeth said with a smile, letting her robe fall open slightly. "She won't know anything. By the way, where is she?"

"Still under the cart, I guess."

The Irish 911 Call

An Irish woman was cleaning her husband's rifle and accidently shot him. She calls 911.

Irish woman: "It's my fookan husband, I've accidently shot him, I've fookan killed him."

Operator: "Please, calm down ma'am. Can you first make sure he is actually dead?"

Click. Bang.
Irish woman: "OK, I've done that. What now?"

Music

A non-addictive, mood-altering non-substance.

Ask your Doctor if music is right for you. Common side effects include but are not limited to uncontrolled head bobbing, toe tapping, finger snapping, selective hearing impairment and persistent melody flashbacks.

If you're going to be a smart ass- first you have to be smart...

otherwise you're just an ass.

Overheard at a local bar:

"Key Largo is too small to have a town drunk, so we all take turns."

These are stronger than most relationships, these days.

I never make the same mistake twice. I make it five or six times, just to be sure.

A Trip to the Dentist

A dentist found something wrong with one of his patients. The upper plate that the dentist had put in earlier was corroding.

"What have you been eating?" the dentist asked the man.

"All I can think of is that about three months ago my wife made some asparagus and put Hollandaise sauce on it. I loved it so much, I put it on everything now."

"That's the problem," the dentist said, frowning. "Hollandaise sauce contains lemon juice, which is highly corrosive. I'll make you a new plate, and this time I'll use chrome."

"Why chrome?"

"It's simple. Everyone knows there's no plate like chrome for the Hollandaise."
