

Coco‘Nut’ Funnies

What did our parents do to kill boredom before the Internet?

I asked my 26 brothers and sisters, and they don't know either!

HE HAD IT ALL

This morning I was sitting on a park bench next to a homeless man. I started a conversation by asking him how he ended up this way.

He said, "Up until last week, I still had it all. I had plenty to eat, my clothes were washed and pressed, I had a roof over my head, I had TV and Internet, and I went to the gym, the pool, and the library. I was working on my MBA on-line. I had no bills and no debt. I even had full medical coverage."

I felt sorry for him, so I asked, "What happened? Drugs? Alcohol? Divorce?"

"Oh no, nothing like that," he said. "No, no. I got out of prison."

Thank you Doug Myers

PROCAFFEINATING

(n.) the tendency to not start anything until you've had a cup of coffee.

I have kleptomania, but when it gets bad, I take something for it.

ONE NIGHT IN MEXICO

Three co-eds went down to Mexico to celebrate graduation. They got drunk and woke up in jail, only to find that they are to be executed in the morning, though none of them can remember what they did the night before.

The first one, a redhead, is strapped in the electric chair and is asked if she has any last words. She says, "I just graduated from Trinity Bible College and believe in the almighty power of God to intervene on the behalf of the innocent."

They throw the switch and nothing happens.

They all immediately fall to the floor on their knees, beg for forgiveness, and release her.

The second one, a brunette, is strapped in and gives her last words.

"I just graduated from Indiana University School of Law, and I believe in the power of Justice to intervene on the behalf of the innocent."

They throw the switch and again, nothing happens.

Again, they all immediately fall to their knees, beg for forgiveness, and release her.

The last one, a blonde (you knew it), is strapped in and says, "Well, I'm from the University of Kentucky and just graduated with a degree in Electrical Engineering, and I'll tell ya'll right now, ya'll ain't gonna electrocute nobody if you don't plug that thing in."

Thank you Trader Dick

CHECKIN' THE GOALS

My goal for 2016 was to lose just 10 pounds. Only 15 to go.

Ate salad for dinner! Mostly croutons & tomatoes. Really just one big, round crouton covered with tomato sauce. And cheese. FINE, it was a pizza. I ate a pizza.

How to prepare tofu:

1. Throw it in the trash.
2. Grill some meat.

I just did a week's worth of cardio after walking into a spider web.

I don't mean to brag but... I finished my 14-day diet in 3 hours and 20 minutes.

A recent study has found that women who carry a little extra weight live longer than men who mention it.

Kids today don't know how easy they have it. When I was young, I had to walk 9 feet through shag carpet to change the TV channel.

Senility has been a smooth transition for me.

Remember back when we were kids and every time it was below zero they closed school? Me neither.

I may not be that funny or athletic or good looking or smart or talented... I forgot where I was going with this.

I love being over 50. I learn something new every day... and forget 5 others.

A thief broke into my house last night. He started searching for money so I woke up and searched with him.

My dentist told me I need a crown. I was like: I KNOW! Right?

I think I'll just put an "Out of Order" sticker on my forehead and call it a day.

Remember back when Sarah Palin was the craziest person in politics? Good times.

I am a Nobody. Nobody is Perfect. Therefore I am Perfect.

Thank you Trader Dick!

Follow your dreams, except for that one where you're naked at work.

THE LAST FOUR

A U.S. Navy destroyer stops four Mexicans rowing towards Texas. The Captain gets on the loud-hailer and shouts, "Ahoy, small craft. Where are you headed?"

One of the Mexicans puts down his oar, stands up, and shouts, "We are invading the United States of America to reclaim the territory taken by the US during the 1800s."

The entire crew on the destroyer doubles over in laughter. When the Captain finally catches his breath, he gets back on the loud-hailer and asks, "Just the four of you?"

The same Mexican stands up again and shouts, "No, we're the last four. The other 12 million are already there!"
