Comments: Colonoscopies

Colonoscopies are no joke, but these comments during the exam were quite humorous. A physician claimed that the following are actual comments made by his male patients:

"Take it easy Doc. You're boldly going where no man has gone before."

"Can you hear me NOW?"

"Are we there yet? Are we there yet? Are we there yet?"

"You know, in Arkansas, we're now legally married."

"Any sign of the trapped miners, Chief?"

"Hey! Now I know how a Muppet feels!"

"If your hand doesn't fit, you must quit!"

"Hey Doc, let me know if you find my dignity."

"You used to be an executive at Enron, didn't you?"

"God, now I know why I am not gay."

And the best one of all: "Could you write a note for my wife saying that my head is not up there?"
