Coco'Nut' Funnies

An old man walks into the barbershop for a shave and a haircut. He tells the barber he can't get a really good shave because his cheeks are wrinkled from age.

The barber gets a little wooden ball from a cup on the shelf and tells him to put it inside his cheek to spread out the skin.

When he's finished, the old man tells the barber, "That's the cleanest shave I've had in years! But what would have happened if I had swallowed the little ball?"

The barber replied, "No problem. You'd just bring it back tomorrow like everyone else does."

Very Astute Doctor

A young woman goes to her doctor's office, afraid of the strange development on the inside of her thighs, a green spot on the inside of each.

"They won't wash off, they won't scrape off and they seem to be getting worse."

The doctor assures her he'll get to the bottom of the problem, and tells her not to worry until the tests come back.

A few days later, the woman's phone rings. Much to her relief, it's the doctor. She immediately begs to know what's causing the spots.

The doctor says, "You're perfectly healthy. There's no problem. But, I'm wondering, is your boyfriend a Harley guy?"

The woman stammers, "Why, yes, he is."

"Tell him his earrings are not real Thank you Doug Myers

BIRTH CONTROL PILLS 99% 100%

A woman in the new Islamorada Publix is following a grandfather and his badly behaved grandson. He has his hands full with the child screaming for sweets, toys, and all sorts of things.

The grandfather is saying in a controlled voice: "Easy, William, we won't be long." Another outburst and she hears the grandfather calmly say, 'It's okay William. Just a couple more minutes and we'll be out of here. Hang in there".

At the checkout the little horror is throwing items out of the cart. Grandfather says again in a controlled voice, "William, relax buddy, don't get upset. We'll be home in five minutes, stay cool William."

Very impressed, the woman goes outside to where the grandfather is loading his groceries and the boy into the car. She says, "It's none of my business, but you were amazing in there. I don't know how you did it. That whole time you kept your composure, and no matter how loud and disruptive he got, you just calmly kept saying that things would be okay. William is very lucky to have you as his grandfather."

"Thanks", says the man, "but I am William, this little bastard's name is Kevin".

Two alligators were sitting at the side of the swamp near the lake. The smaller one turned to the bigger one and said, "I can't understand how you can be so much bigger than me. We're the same age; we were the same size as kids. I just don't get it."

"Well," said the big gator, "what have you been eating?"

"Politicians, same as you," replied the small gator.

"Hmm.....Well, where do you catch them?"

"Down the other side of the swamp near the parking lot by the Capitol.

"Same here. Hmm.... How do you

"Well, I crawl up under one of their Lexus cars and wait for one to unlock the car door. Then I jump out, grab them by the leg, shake the crap out of them and eat 'em!"

"Same here." says the big gator. "Do you eat Democrats or Republicans?" "I eat the Democrats," says

"Ah!" says the big gator. "I think I see your problem. You're not getting any real nourishment. You see, by the time you finish shaking the crap out of a Democrat, there's nothing left but an butthole and a briefcase.

then he thought for a moment. You know," he said, "I may have a solution to your problem. I have two male talking parrots, which I have taught to pray and read the Bible. "Bring your two parrots over to my house, and we'll put them in the cage with Frank and Jacob.

My parrots can teach your parrots to pray and worship, and your parrots are sure to stop saying that phrase in no time."

"Thank you," the woman responded, "this may very well be the solution."

The next day, she brought her female parrots to the priest's house. As he ushered her in, she saw that his two male parrots were inside their cage, holding rosary beads and praying.

Impressed, she walked over and placed her parrots in with them.

After a few minutes, the female parrots cried out in unison: "Hi, we're hookers! Do you want to have some fun?"

There was stunned silence. Shocked, one male parrot looked over at the other male parrot and exclaimed, "Put the beads away, Frank, our prayers have been answered!"
