Editorial: Jellyfish Season - 101 uses for Jellyfish (a partial list)

It seems all we hear or see on the local news is about iguanas and pythons taking over South Florida but nothing on the slimy, awful zillions of jellyfish. What good are they? Here are some ideas:

Japanese gourmet delicacy.

Put in blender, add alcohol and drink.

Hair styling gel.

Wig or toupee replacement.

Organic breast implants.

Frozen hockey puck.

Unwelcome mat.

Shower cap.

Christmas tree decoration.

Sting yourself just for the hell of it.

Peanut butter and jellyfish sandwich.

Instant jellofish dessert.

Macho condom.

Security device - nail to your front door.

If you got stung by a jellyfish, I would totally pee on you!

Excuse to avoid a date (gotta wash my jellyfish).

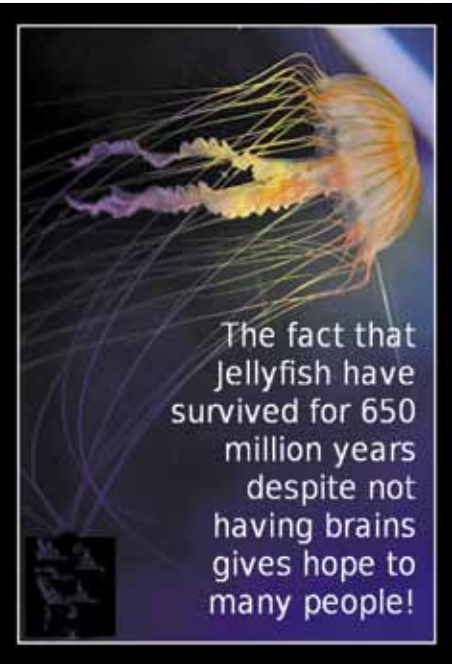

Practical jokes - put one in purse and watch from a distance. Stick under hood of friend's car.

Self defense - Walk into a room swinging a jellyfish over your head and command instant respect.

Pet - jellyfish do not disturb neighbors and are easy to feed. Don't forget to spay or neuter yours.

14,000 people are having sex right now.  
25,000 are kissing.  
50,000 are hugging.  
And you... well you're reading the Coconut Telegraph.
