Something for the Foodie on Your List - Florida Keys Food Tours

by Marilee Free and Sheryl Rose

If you would like to taste your way around the heart of Islamorada, Keys native Sheryl Guerry-Rose has created the perfect food tour. Combining restaurants seen on the Food Network, with filming spots from the Netflix series **Bloodline**, toss in some art, blend in some culture, add little bit of history and sprinkle with a whole lot of fun, this 4-hour walking tour is sure to please the palate.

Since 2015, Sheryl, a self-proclaimed food tour junkie, has organized and guided culinary adventure tours around the country, and in the Upper Keys. She, with her fun-loving, knowledgeable, local favorites

Large or small groups, couples and singles are all welcome. It's a great tour for the ladies while the men are out fishing. For dates, rates and availability please check out the website: www.flkeysfoodtours.com or call Sheryl at 305-393-9183.

Use the coupon code **COCONUT** on the website or mention you saw this article in the Coconut Telegraph for discounted tours.

Craig Zabransky and Marilee Free, will share their stories, tell about early founders of the Keys, plants and trees, restaurant histories, how to blow a conch horn and how to open a coconut with your bare hands (maybe? think Survivor tryouts...).

What Really Happens with those Letters to Santa?

We read the fine print on Santa's website.

- **Santa's Privacy Policy:** At Santa's Workshop, your privacy is important to us. Here is how we collect and safeguard your personal information.
- **Why Do We Need This Information?** Santa Claus requires your information in order to compile his annual list of who is Naughty and who is Nice and to ensure accuracy when he checks it twice.
- **What Information Do We Collect?** We obtain information from the unsolicited letters sent to Santa by children all over the world listing specific items they would like to receive for Christmas. Often these letters convey additional information, such as which of their siblings are doodyheads. The letters also provide another important piece of information—fingerprints. We run these through databases maintained by the FBI, CIA, NSA, Interpol, MI6, and the Mossad. If we find a match, it goes straight on the Naughty List.
- **What Do We Do with the Information We Collect?** Sharing is one of the joys of Christmas. For this reason, we share your personal information with unaffiliated third parties: the Easter Bunny, the Tooth Fairy, and Hanukkah Harry.
