

The Coconut Telegraph's Islamorada Treasure Map is Coming!

The Coconut Telegraph and artist extraordinaire Rodney Nelson have joined forces to bring you a fascinating Islamorada Treasure Map!

Hundreds of dollars worth of prizes will be awarded to those who can find the hidden secrets and mistakes throughout the map.

Locals and advertisers can make history by getting their caricature, business, building, vehicle, boat, airplane, etc. drawn by Nelson on this collectible, history-making map.

Thousands of copies will be available throughout Islamorada as gifts from our advertisers! It will also be available on the Coconut Telegraph's website, available worldwide!

We will come to you and take photos for the artist to draw. Hurry to get your very own original Nelson caricature on your piece of the island. Call or text us at 305-304-2837 today to get started.

Key Largo's map was a great success... now here comes Islamorada!

This trip, Guy Fieri's diggin' into succulent sandwiches! In Oakland, a real-deal butchery stacking up killer cheesesteak and off-the-chain chicken. In Modesto, Calif., a funky food truck putting pastrami on pretzel bread and cooking pulled pork in root beer. And in Key Largo, Florida, a seafood staple servin' up a sandwich that's become a local legend. (Episode: DV2407H)
