Cynical?

I read that 4,153,237 people got married last year, not to cause any trouble but shouldn't that be an even number?

Today a man knocked on my door and asked for a small donation towards the local swimming pool. I gave him a glass of water.

I find it ironic that the colors red, white, and blue stand for freedom until they are flashing behind you.

When wearing a bikini, women reveal 90% of their body . . . men are so polite they only look at the covered parts.

Relationships are a lot like algebra. Have you ever looked at your X and wondered Y?

America is a country which produces citizens who will cross the ocean to fight for democracy but won't cross the street to vote.

You know that tingly little feeling you get when you like someone? That's your common sense leaving your body.

You're not fat, you're just easier to see.

If you think nobody cares whether you're alive, try missing a couple of car payments.

I can't understand why women are okay that JC Penney has an older women's clothing line named "Sag Harbor".

My therapist said that my narcissism causes me to misread social situations. I'm pretty sure she was hitting on me.

My 60-year kindergarten reunion is coming up soon and I'm worried about the 175 pounds I've gained since then.

Denny's has a slogan. "If it's your birthday, the meal is on us." If you're in Denny's and it's your birthday, your life sucks!

The pharmacist asked me my birth date again today. I'm pretty sure she's going to get me something.

The location of your mailbox shows you exactly how far away from your house you can be in a robe before you start looking like a mental patient.

Money can't buy happiness, but it keeps the kids in touch!

The reason Mayberry was so peaceful and quiet was because nobody was married. Andy, Aunt Bea, Barney, Floyd, Howard, Goober, Gomer, Sam, Earnest T Bass, Helen, Thelma Lou, Clara and, of course, Opie were all single. The only married person was Otis, and he stayed drunk.
