The Conch Republic COCONUT TELEGRAPH

Do you...

Tend to procrastinate? Have difficulty finishing or starting a project? Get distracted easily? Get impatient quickly?

Zone out when people are talking to you?

Have trouble following directions?

Have trouble concentrating on one thing at a time?

Get bored easily?

Have lots of racing thoughts?

Misplace things at home or work?

If you answered yes to most of these questions and are concerned about it you should talk to your doctor. For those of us who live with the disorder here is a little humor that only we will find funny.

HAVE ADD AND OCD, SO **EVERYTHING HAS TO BE** PERFECT. BUT NOT FOR LONG

All these jokes about ADD would probably piss me off if I ever paid enough attention to see how they end.

Attention Deficit Disorder Test

You Know You Have ADD when...

You are in bed making passionate love and all of a sudden it hits you... and you blurt out "Beige! Lets paint the ceiling beige!"

Your suitcase is still unpacked from the trip you took 2 months ago and you don't care.

You go to the grocery store for a loaf of bread, you end up spending \$200 and forget to buy the bread.

You are searching desperately for your cell phone only to find its in your other hand.

You go to work and discover you have 2 different color shoes on.

Someone asks you how old you are and you have to subtract your birth year from the current year but you have to ask what year it is first.

You have an IQ of 140 but people still call you a "space cadet".

You have a thousand dollars in your checking account but your phone, electricity, cable TV and water get shut off more than 5 times a year for non-payment.

You cannot sit in a meeting or even church without doodling and absolutely EVERY-THING you own has doodles all over it!

You can't organize your own stuff but other peoples disorganization drives you crazy.

You realize that waiting until the last minute is the best motivation.

You made a great lunch but forgot to take it to work.

You carry your trash all the way to the bus stop.

You stop in mid-sentence and have no idea what you were talking about or what to say

Other people think you are crazy and you think they are boring.

You put something in a safe place and never find it again.

You wonder why your electric bill is so high and then you realize that the oven has been on all month.

Your wife asks you to go and get her migraine medicine and you take it yourself.

Your purse is stuffed to the max and you keep buying bigger purses till you finally realize no purse will ever be big enough.

You still have an uncashed paycheck from a job you did 2 years ago.

You make "clear" coffee at least once a week.

You can't get it together to send in a rebate form because you can never get the receipt, UPC code and rebate form all together at one time.

You leave for work and turn around to return for the things you forgot 3 times.

You'd rather poke your eye out with a stick than wait in line.

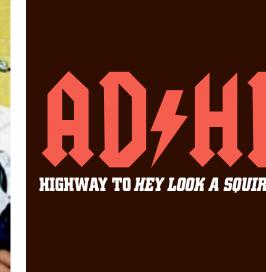

You might have ADD if you can actually laugh at these one liners.

My ADHD makes it hard to focus and focus sounds like hocus pocus and I really like magic a whole whole lot. Abracadabra.
