A blonde woman is driving down the road. She notices that she's low on gas, so she stops at a gas station. While she's pumping her gas, she notices that she locked the keys in the car. So when she goes inside to pay, she asks the attendant for a hanger so that she can attempt to open the door herself. She returns outside and begins to jimmy the lock. Ten minutes later, the attendant comes out to see how the blonde is faring. Outside the car, the blonde is moving the hanger around and around while another blonde inside the car is saying, "A little more to the left...a little more to the right..."

A woman and a lawyer were seated next to each other on a flight from LA to NY. The lawyer asked if she would like to play a fun game.

The woman, tired, just wanted to take a nap, politely declined and rolled over to the window to catch a few winks. The lawyer persists and explains that the game is easy and a lot of fun. He explained, "I ask you a question, and if you don't know the answer, you pay me \$5.00, and vice versa."

Again, she declines and tries to get some sleep.

The lawyer, now agitated, says, "Okay, if you don't know the answer you pay me \$5.00, and if I don't know the answer, I will pay you \$500.00."

This catches the woman's attention and, figuring there will be no end to this torment unless she plays, agrees to the game.

The lawyer asks the first question. "What's the distance from the earth to the moon?"

The woman doesn't say a word, reaches into her purse, pulls out a \$5.00 bill and hands it to the lawyer. "Okay," says the lawyer, "your turn".

She asks the lawyer, "What goes up a hill with three legs and comes down with four legs?"

The lawyer, puzzled, takes out his laptop computer and searches all his references, no answer. He taps into the air phone with his modem and searches the net and the library of congress, no answer. Frustrated, he sends e-mail to all his friends and coworkers, to no avail. After an hour, he wakes the woman, and hands her \$500.00.

The woman says, "Thank you," and turns back to get some more sleep.

The lawyer, who is more than a little miffed, wakes the woman and asks, "Well, what's the answer?"

Without a word, the woman reaches into her purse, hands the lawyer \$5.00, and goes back to sleep.

A gas station in Kentucky was trying to increase its sales, so the owner put up a sign saying, "Free Sex with Fill-Up".

Soon a local redneck pulled in, filled his tank, and then asked for his free sex.

The owner told him to pick a number from 1 to 10. If he guessed correctly, he would get his free sex.

The redneck then guessed 8, and the proprietor said, "You were close. The number was 7. Sorry, no sex this time."

A week later, the same redneck, along with a buddy, Bubba, pulled in for a fill-up. Again, he asked for his free sex.

The proprietor again gave him the same story, and asked him to guess the correct number.

The redneck guessed 2 this time. Again, the proprietor said, "Sorry, it was 3. You were close, but no free sex this time."

As they were driving away, the redneck said to his buddy, "I think that game is rigged and he doesn't really give away free sex."

Bubba replied, "No it ain't, Billy Ray. It ain't rigged ----- my wife won twice last week."

During her physical examination, a doctor asked a retired woman about her physical activity level.

The woman said she spent 3 days a week, every week in the outdoors, saying "Well, yesterday afternoon was typical; I took a five-hour walk about 7 miles through some pretty rough terrain. I waded along the edge of a lake. I pushed my way through 2 miles of brambles, got sand in my shoes and my eyes, and barely avoided stepping on a snake. I climbed several rocky hills; I went to the bathroom behind some big trees.

"The mental stress of it all left me shattered. At the end of it all I drank a scotch and three glasses of wine."

Amazed by the story, the doctor said, "You must be one hell of an outdoors woman!"

"No," the woman replied, "I'm just a really shitty golfer."
