Tropical Weddings "R" Us

Tropical weddings are known (and loved) for their simplicity and natural beauty, allowing couples to say "I do" amidst the sun and the sand. Over the years, they have gone from a trend to a staple for those looking to get married in an unforgettable way, somewhere far from home — or in our case, just down the road!

Destination weddings, sometimes referred to as "weddingmoons," allow couples to celebrate their nuptials in an incredible location, joined by friends and family. They double as honeymoons for newlyweds. Couples can continue to celebrate with a dream vacation right after exchanging vows. The romantic island vibes make for the perfect place to begin marital bliss, and couples may choose to stay at the same property where they just got hitched.

Just as there is no one-size-fits-all "dream" wedding, there is also no single way to define a tropical wedding. Pick a beach, a venue overlooking the water, or even a boat for your wedding. A sunset wedding is a nice way to beat the heat and provide a beautiful backdrop.

Local wedding resorts are well-versed in creating a romantic ambience for weddings of all sizes, on private, secluded stretches of sand. In the upper Keys, we have wedding venues and packages for all styles, groups, and budgets. And the guest experience is often at the forefront of the wedding couples' minds; think exciting group excursions, unique favors and unforgettable reception entertainment. Your guests will be talking about your wedding as one of the best they've been to for years to come!

Why Have an Upper Keys Wedding?

Whether you want a big, traditional wedding with all the bells and whistles or just a quaint ceremony with a few friends, the upper Keys has it all. So, why choose the upper Keys over Key West? Because: Key West is a high priced tourist trap. Throngs of people occupy the beaches, restaurants, hotels and the streets. It is hard to have a romantic moment when tourists are clogging Mallory Square or the spring breaker next to you is lying face up on the bar while the bartender

here. Consider a sunset celebration on the beach at the Lorelei, a gathering overlooking the water at Snook's, or champagne poolside at the Big Chill, or check out Kenny and Monica's yacht the License to Chill. Looking to have a big bash?

The Wedding Issue

"sail away to Key Largo," not Key West!

Over the years I have attended a variety of weddings and a couple of them were my own. For a quickie you can drop by the court house, sign a few papers and step outside in the parking lot for a brief ceremony on your lunch hour. I took my vows next to a garbage can and should have taken that as an omen. A lot of people don't even bother with that, they just call their current squeeze "my old lady or my old man" and life goes on. It saves money on the cost of a lawyer if the relationship doesn't work out. They say in the Keys that you never lose your husband, wife, girlfriend or boyfriend, you just lose your turn.

One wedding where I was the bride was held at an outdoor venue. A pirate wedding including costumes, boats, a caterer, a pig roast and live music. Aaarrgh mateys! Now that was fun! One couple I know who are still married after about 20 years had a biker wedding and after the reception they drove off into the sunset on their Harley while the bride held on to her veil and billowing white gown for dear life in the wind.

Another couple I know hired synchronized swimmers for their shindig. And yet another friend got hitched knee deep in the ocean and the bride carried a clump of seaweed as her bouquet.

Whatever your budget or wildest imagination desires, you can make it happen right

pours rum in her bellybutton so a young man in a wife beater shirt can lick it up. Bellybutton shots! Lord have mercy! If you stay up late enough you are apt to find some satisfied saloon customer passed out in the bushes sleeping it off. You might even find the photo posted on Facebook, as the locals love that stuff.

For romance pick the upper Keys. Bertie Higgins sang

The Elks in Tavernier has a huge indoor venue and a fantastic outdoor sunset patio, full facilities and kitchen.

Don't forget the toast. "May your children be blessed with rich parents" and "To the two secrets to a long-lasting, happy marriage: Here's to a good sense of humor - and a short memory!"

I married for love but the obvious side benefit of having someone around to find my glasses cannot be ignored.

—Cameron Esposito

What More Can We Say?

Love is a funny thing. Finding that special someone to share the rest of your life with is one of the best gifts we could ever ask for, but life is long and sometimes you just need to laugh at yourselves. In-between the romance, the long nights, monotonous days, and bickering over who last did the laundry, there are truly some hilarious moments during a marriage that can be perfectly described with a succinct marriage quote. We hope these will remind you why you fell in love in the first place.

Getting married is like trading the adoration of many for the sarcasm of one.

—Mae West

Marriage is the bond between a person who never remembers anniversaries and another who never forgets them.

—Ogden Nash

Before I got married, I had six theories about raising children; now I have six children and no theories.

—John Wilmot

To keep your marriage brimming, with love in the wedding cup, whenever you're wrong, admit it; whenever you're right, shut up.

—Ogden Nash

Before you marry a person you should first make them use a computer with slow Internet to see who they really are.

—Will Ferrell

One of the keys to a successful marriage is separate bathrooms. When he enters my bathroom sometimes, I'm like, "Why are you in here?" And he's like, "I live here. Can I enjoy my bathroom too?"

—Michelle Obama

Husband secretly lowers the thermostat and I secretly turn it back up. We both vehemently deny touching it. Marriage is fun.

—Stephanie Ortiz

My husband and I have never considered divorce... murder sometimes, but never divorce.

—Dr. Joyce Brothers

Marriage is really tough because you have to deal with feelings ... and lawyers.

—Richard Pryor

The definition of eternity is two people and a ham.

—Dorothy Parker

The best thing to ever happen to marriage is the pause-live-TV button.

—Rick Reilly

Marriage is an attempt to solve problems together which you didn't even have when you were on your own.

—Eddie Cantor

An archeologist is the best husband a woman can have. The older she gets, the more interested he is in her.

—Agatha Christie

By all means, marry. If you get a good wife, you'll become happy; if you get a bad one, you'll become a philosopher.

—Socrates

I love being married. It's so great to find that one special person you want to annoy for the rest of your life.

—Rita Rudner

Marriage is not just spiritual communion; it is also remembering to take out the trash.

—Joyce Brothers

Never get married in college; it's hard to get a start if a prospective employer finds you've already made one mistake.

—Elbert Hubbard

HOW TO ENJOY YOURSELF AT A WEDDING YOU DIDN'T WANT TO ATTEND

(and ensure you're never invited to another wedding again)

You said you would go, and now you can't take it back. If it's too late to come up with a last-minute excuse, follow these easy steps for making the most of a wedding you didn't want to attend.

DURING THE CEREMONY

- Choose a seat as close as possible to the bar, so you can be first in line when it opens.
- As the bride comes down the aisle, let her know everything looks beautiful.
- Attempt to take communion mid-ceremony.
- Just before he says his vows, give the groom a big, knowing wink.
- Count the number of times someone says "forever" on your fingers. Keep your hands up where everyone can see them.

DURING THE COCKTAIL HOUR

- Attach yourself to the first person who says hello to you and stick by their side throughout the hour.
- Ask a waiter if the canapes have meat in them and then if they don't, say, "That's okay, I brought my own."
- Walk over to where they're doing bridal party photos and repeatedly let the photographer know you're here and ready whenever he or she needs you.
- Pretend to be breaking up with your significant other via text message.
- Grab a tray of champagne flutes and sip quietly in the corner.

DURING DINNER

- Form the butter on your table into a heart and write a message for the happy couple using your knife.
- Introduce yourself to everyone else at the table as a friend of the groom's side piece.
- Loudly announce to your waiter "This isn't what I ordered!" and threaten to leave without paying.
- Refuse to let anyone eat their food before you've Instagrammed it.
- Ask the other guests at your table if they've tried the adorable color-coordinated glory hole in the men's bathroom yet.

AT THE RECEPTION

- Cut in during the father-daughter dance.
- Request that the band plays The Mountain Goats' "No Children."
- Don't dance, but stand immobile in the middle of the dance floor for as long as possible.
- Ask the bride if you can get a quick photo of you and her bustle.
- If there's a photo booth, use it to check on the moles on your back.

AT THE AFTER PARTY

- Drunkenly hook up with someone, anyone, who will distract you from how horribly boring and tedious it all is.

Go For It

The universe is fully supportive of what you want, but it is up to you to go for it.

There are times in our lives when all the signs seem to be pointing us in a particular direction. Our thoughts and dreams are echoed in the songs and stories we hear and the media we see. Maybe the message we are getting from the universe doesn't even make sense in the "real" world, but somewhere inside, these urges feel right. Maybe you feel you are being told to move to a new city although your life where you are is just fine. Or maybe you feel the desire to pursue a new direction in your career when it never really interested you before. When we spend time getting in touch with our higher selves, our intuition sends us directives to lead us to become our best and most fulfilled selves. And when we are open and listening, the next step is to take action and go for it.

Once we make the decision to pursue our inner urgings, the universe

sets into motion the means for all sorts of details to fall into place. A sense of peace will come over us, because we know that any questions will no longer make us wonder if our dreams are possible, but how to make them happen. Instead of deterring us from our goal, these questions only serve to clarify our focus to move us forward. We need not throw caution to the wind to follow our dream. The positive shift in our energy affects everything around us. Like a rush of water, it goes ahead to clear debris from our path so that we can go forward. Our new attitude also attracts like-minded people. Sometimes even the most unlikely angels arrive to help us along our way with the information and support we need.

Wherever your dreams are pointing you today, take a step. Take action and manifest your inner urges and soul whisperings.

On their wedding night, the young bride approached her new husband and asked for \$20.00 for their first lovemaking encounter.

In his highly aroused state, her husband readily agreed.

This scenario was repeated each time they made love, for more than 40 years, with him thinking that it was a cute way for her to afford new clothes and other incidentals that she needed.

Arriving home around noon one day, she was surprised to find her husband in a very drunken state. During the next few minutes, he explained that his employer was going through a process of corporate downsizing, and he had been let go.

It was unlikely that, at the age of 59, he'd be able to find another position that paid anywhere near what he'd been earning, and therefore, they were financially ruined.

Calmly, his wife handed him a bank book which showed more than forty years of steady deposits and interest totaling nearly \$1 million. Then she showed him certificates of deposits issued by the bank which was worth over \$2 million, and informed him that they were one of the largest depositors in the bank.

She explained that for more than three decades she had ‘charged’ him for sex, these holdings had multiplied and these were the results of her savings and investments.

Faced with evidence of cash and investments worth over \$3 million, her husband was so astounded he could barely speak, but finally he found his voice and blurted out, “If I'd had any idea what you were doing, I would have given you all my business!”

That’s when she shot him.

You know, sometimes, men just don’t know when to keep their mouths shut!

I asked my wife why she married me.
She said "Because you are funny."
I said "I thought it was because I was good in bed."
She said "See? You're hilarious!"

Always make sure **SOMEONE** in the relationship has good credit. That's why it's called **SIGNIFICANT** other.

Follow me for more marriage tips.

I was a very happy man. My wonderful girlfriend and I had been dating for over a year, and so we decided to get married. There was only one little thing bothering me—it was her beautiful younger sister. My prospective sister-in-law was twenty-two, wore very tight miniskirts, and generally was bra-less. She would regularly bend down when she was near me, and I always got more than a nice view. It had to be deliberate. Because she never did it when she was near any-one else.

One day her “little” sister called and asked me to come over to check the wedding invitations. She was alone when I arrived, and she whispered to me that she had feelings and desires for me that she couldn’t overcome. She told me that she wanted me just once before I got married and committed my life to her sister. Well, I was in total shock, and couldn’t say a word.

She said, “I’m going upstairs to my bedroom, and if you want one last wild fling, just come up and get me.”

I was stunned and frozen in shock as I watched her go up the stairs. I stood there for a moment, then turned and made a beeline straight to the front door.

I opened the door, and headed straight towards my car. Lo and behold, my entire future family was standing outside, all clapping!

With tears in his eyes, my father-in-law hugged me and said, “We are very happy that you have passed our little test. We couldn’t ask for a better man for our daughter. Welcome to the family.”

And the moral of this story is: Always keep your condoms in your car.

A woman's husband had been slipping in and out of a coma for several months, yet she had stayed by his bedside every single day.

One day, when he came to, he motioned for her to come nearer. As she sat by him, he whispered, eyes full of tears. “You know what? You have been with me all through the bad times. When I got fired, you were there to support me. When my business failed, you were there. When I got shot, you were by my side. When we lost the house, you stayed right here. When my health started failing, you were still by my side. You know what?”

“What dear?” she asked gently, smiling as her heart began to fill with warmth.
“I think you're bad luck.”

At A Wedding Party recently someone yelled, “All married people please stand next to the one person who has made your life worth living.” The bartender was almost crushed to death...

No, I did not forget my password. I distinctly remember it being 8 asterisks.

Wally’s Wedding Night

At 85 years of age, Wally married Anne, a lovely 25 year old. Since her new husband is so old, Anne decides that after their wedding she and Wally should have separate bedrooms, because she is concerned that her new but aged husband may overexert himself if they spend the entire night together.

After the wedding festivities Anne prepares herself for bed and

the expected ‘knock’ on the door. Sure enough the knock comes, the door opens and there is Wally, her 85 year old groom, ready for action. They unite as one.

All goes well, Wally takes leave of his bride, and she prepares to

go to sleep. After a few minutes, Anne hears another knock on her bedroom door, and it’s Wally. Again he is ready for more ‘action.’

Somewhat surprised, Anne consents for more coupling. When the newlyweds are done, Wally kisses his bride, bids her a fond good-night and leaves.

She is set to go to sleep again, but, aha you guessed it.....

Wally is back again, rapping on the door, and is as fresh as a 25-year-old, ready for more ‘action.’ And, once again they enjoy each other.

But as Wally gets set to leave again, his young bride says to him, ‘I am thoroughly impressed that at your age you can perform so well and so often. I have been with guys less than a third of your age who were only good once. You are truly a great lover, Wally.’

Wally, somewhat embarrassed, turns to Anne and says: ‘You mean I’ve been here already?’

Albert Einstein was a genius who created many incredible things worthy of honor.
However, his brother Frank was an absolute monster.

A man went to the Mariner’s ER in Tavernier to have his wedding ring cut off of his penis.

According to the nurse attending the operation, the patient’s girlfriend found the ring in his pants pocket.

She didn’t know he was married and she was so mad, she used Vaseline to slip the ring on his penis while he was asleep.

What’s worse?

1. Having your girlfriend find out you’re married.
2. Explaining to your wife how your wedding ring got on your penis.... OR...
3. Finding out your penis fits through your wedding ring.

Tough call. You decide.

Did you ever wonder why hemorrhoids aren’t called asteroids?

90% OF BEING MARRIED IS JUST SHOUTING “WHAT” FROM OTHER ROOMS

During the wedding rehearsal, the groom approached the pastor with an unusual offer: “Look, I’ll give you \$100 if you’ll change the wedding vows. When you get to the part where I’m supposed to promise to ‘love, honor and obey’ and ‘be faithful to her forever,’ I’d appreciate it if you’d just leave that out.” He passed the minister a \$100 bill and walked away satisfied.

On the day of the wedding, when it came time for the groom’s vows, the pastor looked the young man in the eye and said: “Will you promise to prostrate yourself before her, obey her every command and wish, serve her breakfast in bed every morning of your life, and swear eternally before God and your lovely wife that you will not ever even look at another woman, as long as you both shall live?”

The groom gulped and looked around, and said in a tiny voice, “Yes,” then leaned toward the pastor and hissed: “I thought we had a deal.” The pastor put the \$100 bill into the groom’s hand and whispered: “She made me a better offer.”

Wanna Be My Starter Wife?
I just realised... I'm about to miss the chance to have a "Starter Marriage" with my "Starter Wife."
A starter marriage is one that lasts for 5 years or less, and ends before children begin.
Being that I would like to eventually get married (for real) and have children, I really need to get the ball rolling on this.
So maybe we haven't met yet but that's no reason we shouldn't get married.
#STARTERWIFE

BRIDESMAIDS NEEDED
Needed: some girls who are attractive and around my age to stand up in my wedding. You can be single or taken.
It doesn't matter... you just have to be hot. But, not hotter than me. Email me for more information. The wedding will be in Key Largo and you won't have to pay for a thing. Hope to hear from you!
