# Things You Need To Know If You Move To The Keys:

1. A raccoon is a flat animal that sleeps in the middle of US1.
  2. There are 5,000 types of snakes and 4998 of them live in the Keys. Especially the pythons.
  3. There are 10,000 types of spiders. All 10,000 of them live in the Keys plus a couple beautiful ones like the Golden Orb.
  4. If it grows it'll stick ya or make you itch. If it crawls it'll bite cha. If you pick it up off the reef it'll burn your skin.
  5. Manatees are beautiful.
  6. If you shop for groceries during the week you don't have to deal with the weekend crowd.
  7. Jawl-P? means: Did you all go to the bathroom?
  8. People actually catch and eat Lionfish.
  9. "Fixinto" is one word. It means I'm going to do something.
  10. There are folks you have known for 10 years as Gonzo, Bananas, KimoS-abe... and never knew their real name.
  11. Iced tea is appropriate for all meals and we do like a little tea with our sugar. It is referred to as the wine of the South.
  12. You have evacuated once or twice for "a big one" and can get your shutters up in less than an hour.
  13. You donate your hurricane season canned goods to the food bank each November, glad you didn't need them and knowing people who will need them are heading south soon.
  14. You don't have to wear a watch because it doesn't matter what time it is - you work until you're done or it's too dark to see.
  15. You aren't impressed by 4 or 5 engines on the back of a boat but are by a graceful shallow draft hull.
  16. Double rainbows - or even triple - are a frequent occurrence.
  17. All the festivals across the county are named after a something to eat or something to drink - preferably alcoholic.
  18. You carry jumper cables in your car for your OWN car.
  19. You only own five spices: salt, pepper, Old Bay, Crystal and cocktail sauce.
  20. The local papers cover national and state news on one page but require 6 pages for local high school sports and fishing.
  21. Even folk who live on boats have a polling place to vote at on election day.
  22. You think that the first day of lobster mini-season is a national holiday.
  23. You smile that it is raining on a sunny day with no clouds.
  24. Fried grouper is the other white meat.
  25. We don't need no dang Driver's Ed. We live on an island with one road and all of 3 traffic lights. It's not that tough.
- AND one more:
27. Why did the chicken cross the road? To show that stupid raccoon that it CAN be done!"
