

Coco'Nut' Funnies

A woman has a problem with her wardrobe door in the bedroom. Every time a bus passes outside the house, the door of the wardrobe, would fall off.

She called a repairman to try and fix the problem. The repairman comes, and he sees that indeed the door did fall off every time a bus passed by.

"Okay!" said the repairman, "I'm going to step inside the wardrobe, you close the door behind me, 'til I see if I can detect what the problem is, and he steps into the wardrobe. The wife closes the door behind him.

At this point the husband suddenly arrives home, and find his wife in the bedroom talking to somebody. He rushes upstairs, and opens the wardrobe door, see's the repairman, and shouts, "What the hell are you doing in there?"

The repairman meekly replies, "Well believe it or not, I'm waiting for a bus!"

It is so annoying, when people you are with, or are stuck with on trains, buses, planes etc. Are constantly on their cell phones...

After a tiring day, a commuter settled down in her seat and closed her eyes.

As the train rolled out of the station, the guy sitting next to her pulled out his phone and started talking in a loud voice:

"Hi sweetheart. It's Eric. I'm on the train".

"Yes, he said, I know it's the six thirty and not the four thirty, but I had a long meeting".

"No, honey, not with that blonde from the accounts office. It was with the boss".

"No sweetheart, you're the only one in my life".

"Yes, I'm sure, cross my heart"...

Fifteen minutes later, he was still talking loudly and frustratingly annoying all around him, when the young woman sitting next to him, who had also had enough, suddenly leaned over and said into the phone, "Eric, hang up the phone and come back to bed."

Eric doesn't use his cell phone in public any more.

Exercise gives you energy but you need energy to exercise. Sounds like a pyramid scheme to me.

A farmer decided he wanted to go to town and see a movie. As he approached, the ticket agent asked, "Sir, what's that on your shoulder?"

The old farmer said, "That's my pet rooster Chuck. Wherever I go, Chuck goes." "I'm sorry, sir," said the ticket agent. "We can't allow animals in the theatre."

The old farmer went around the corner and stuffed Chuck down his overalls. Then he returned to the booth, bought a ticket, and entered the theatre.

He sat down next to two old widows named Millie and Marge.

The movie started and the rooster began to squirm. The old farmer unbuttoned his fly so Chuck could stick his head out and watch the movie.

"Marge," whispered Millie. "What?" said Marge.

"I think the guy next to me is a pervert."

"What makes you think so?" asked Marge.

"He undid his pants and he has his thing out," whispered Millie.

"Eh, don't worry about it," said Marge. "At our age we've seen 'em all."

"I thought so too," said Millie, "but this one's eatin' my popcorn!"

A kindergarten class had a homework assignment to find out something exciting and relate it to the class the next day.

When the time came to present what they'd found, the first little boy the teacher called on walked up to the front of the class,

and with a piece of chalk, made a small white dot on the blackboard and sat back down

Puzzled, the teacher asked him what it was.

'It's a period,' he replied.

'I can see that,' said the teacher, 'but what is so exciting about a period?'

'Darned if I know,' chirped the little boy, 'but this morning my sister was missing one, my mother fainted, my dad had a heart attack, and the boy next door joined the Navy!'

A German girl married a Spanish man and went to Spain. She can't speak Spanish. Each time she wanted to buy chicken legs, she would lift her skirt and show her thighs to the seller so he would understand her.

One day she wanted to buy bananas, so she took her husband to the shop.

Because her husband speaks Spanish very well, why did you think?

First-year veterinary students were attending their first anatomy class with a real dead cow. They all gathered around the surgery table with the body covered with a white sheet.

The professor started the class by telling them, "In Veterinary medicine it is necessary to have two important qualities as a doctor. The first is that you not be disgusted by anything

involving an animal's body."

For an example, the professor pulled back the sheet, stuck his finger into the butt of the cow, withdrew it, and stuck his finger in his mouth. "Go ahead and do the same thing," he told his students.

The students freaked out, hesitated for several minutes, but eventually took turns sticking a finger in the butt of the dead cow and, sucking on it... followed by assorted gagging, retching and spitting.

When everyone had finished wiping their faces, the Professor looked at them and said, "The second most important quality is observation. I stuck in my middle finger and sucked on my index finger. Now learn to pay attention. Life is tough but it's even tougher if you're stupid."
