

Children Writing About the Ocean.

Kids fill you in on what you need to know...

- 1) - This is a picture of an octopus. It has eight testicles.(Kelly, age 6)
- 2) - Oysters' balls are called pearls. (Jerry, age 6)
- 3) - If you are surrounded by ocean, you are an island. If you don't have ocean all round you, you are incontinent. (Mike , age 7)
- 4) - Sharks are ugly and mean, and have big teeth, just like Emily Richardson. She's not my friend any more. (Kylie, age 6)
- 5) - A dolphin breaths through an asshole on the top of its head. (Billy, age 8)
- 6) - My uncle goes out in his boat with two other men and a woman and pots and comes back with crabs. (Millie, age 6)
- 7) - When ships had sails, they used to use the trade winds to cross the ocean. Sometimes when the wind didn't blow the sailors would whistle to make the wind come. My brother said they would have been better off eating beans. (William, age 7)
- 8) - Mermaids live in the ocean. I like mermaids. They are beautiful and I like their shiny tails, but how on earth do mermaids get pregnant? Like, really? (Helen, age 6)
- 9) - I'm not going to write about the ocean. My baby brother is always crying, my Dad keeps yelling at my Mom, and my big sister has just got pregnant, so I can't think what to write. (Amy, age 6)
- 10) - Some fish are dangerous. Jellyfish can sting. Electric eels can give you a shock. They have to live in caves under the sea where I think they have to plug themselves in to chargers. (Christopher, age 7)
- 11) - When you go swimming in the ocean, it is very cold, and it makes my willy small. (Kevin, age 6)
- 12) - Divers have to be safe when they go under the water. Divers can't go down alone, so they have to go down on each other. (Becky, age 8)
- 13) - On vacation my Mom went water skiing. She fell off when she was going very fast. She says she won't do it again because water fired right up her big fat ass. (Julie, age 7)
- 14) - The ocean is made up of water and fish. Why the fish don't drown I don't know. (Bobby, age 6)
- 15) - My dad was a sailor on the ocean. He knows all about the ocean. What he doesn't know is why he quit being a sailor and married my mom. (James, age 7)

January Events and Programs at Key Largo Library

All library programs are free and open to the public. Program funding provided by the Friends of the Key Largo Library. Visit KeysLibraries.org for books, streaming movies, ebooks, and more.

To everyone that received a book from me for christmas, they're due back at the library next friday.

Thank you.

I'm in favor of a law that requires all telemarketers to wear shock collars that can be activated by pressing the pound (#) key.

The SCOTTISH VARIANT
At least you can hear it coming.

My Roomba just beat me to an M&M I dropped on the ground. I guess this is how the war against machines will begin.
