

Coco‘Nut’ Funnies

I go to KFC to get the kids something to eat. They wanted the kids meal with a leg so I said “kids meal with the leg” and the lady says “which side?” Me- *complete silence as I heavily contemplate such an odd decision.*

“I guess the right side, I don’t know what the difference is.” After several moments of laughter she says “No honey, which side would you like to go with the leg? Mashed potatoes or wedges?”

Jesus take the wheel. It’s been a long day.

Due to the really bad weather, I decided to see if my 83-year-old neighbor needed anything from the store.

She did.

So I gave her my list.

No point in both of us going out in this weather.

I'LL TELL YOU WHY I CAN'T LOSE WEIGHT... I'VE GOT METAL FILLINGS IN MY TEETH AND MY REFRIGERATOR MAGNETS KEEP PULLING ME INTO THE KITCHEN.

OMG I just found out that Albert Einstein was a real person!!

All this time I thought he was a theoretical physicist.

I signed up for a zoom workout class that was too advanced so when the instructor said “do a plank and bring your knee to the opposite elbow,” I did a modified version where I turned off my computer and made pancakes.

Daddy calls home.

'Hello?'

'Hi, honey.'

'This is Daddy. Is Mommy near the phone?'

'No, Daddy. She's upstairs in the bedroom with Uncle Paul.'

After a brief pause, Daddy says, 'But honey, you haven't got an Uncle Paul.'

'Oh, yes I do, and he's upstairs in the room with Mommy, right now.'

Brief Pause.

'Uh, okay then, this is what I want you to do. Put the phone down on the table, run up-stairs, knock on the bedroom door and shout to Mommy that Daddy's car just pulled into the driveway.'

'Okay, Daddy, just a minute.'

A few minutes later the little girl comes back to the phone.

'I did it, Daddy.'

'And what happened, honey?'

'Well, Mommy got all scared, jumped out of bed with no clothes on and ran around screaming.'

'Then, she tripped over the rug, hit her head on the dresser and now she isn't moving at all!'

'Oh, my God!!! What about your Uncle Paul?'

'He jumped out of the bed with no clothes on, too. He was all scared and he jumped out of the back window and into the swimming pool. But I guess he didn't know that you took out the water last week to clean it. He hit the bottom of the pool and I think he's dead.'

Long Pause

Longer Pause

Even Longer Pause

Then Daddy says, 'Swimming pool? Is this 486-5731?'

I can't believe it's monkeypox season already. I still have my Ukraine decorations up.

I HAVE MANY HIDDEN TALENTS. JUST WISH I COULD REMEMBER WHERE I HID THEM.

A young ventriloquist is touring the clubs around the country. One night he's doing a show in a small town in Oklahoma. With his dummy on his knee, he starts going through his usual dumb blonde jokes.

A blonde woman in the 4th row stands on her chair and starts shouting: "I've heard enough of your stupid blonde jokes! What makes you think you can stereotype women in that way? What does the color of a person's hair have to do with her worth as a human being? It's guys like you who keep women like me from being respected at work and in the community, and from reaching our full potential as a person. Because you and your kind continue to perpetuate discrimination against not only blondes but women in general.... and all in the name of humor."

The embarrassed ventriloquist begins to apologize when the blonde yells: "You stay out of this, mister! I'm talking to that little shit sitting on your knee!"

Knowing my luck, I'll be reincarnated as me again.

I was going to cook alligator for dinner but realized I only had a croc pot.

There's a fine line between a numerator and a denominator.
Only a fraction of people will find this funny.

I hired a handy man and gave him a list. When I got home, only items 1, 3, and 5 were done.
Turns out, he only does odd jobs.

A former Sergeant in the Marine Corps took a new job as a high school teacher.

Just before the school year started, he injured his back. He was required to wear a plaster cast around the upper part of his body. Fortunately, the cast fit under his shirt and wasn't noticeable.

On the first day of class, he found himself assigned to the toughest students in the school. The smart punks, having already heard the new teacher was a former Marine, were leery of him and he knew they would be testing his discipline in the classroom.

Walking confidently into the rowdy classroom, the new teacher opened the window wide and sat down at his desk. When a strong breeze made his tie flap, he picked up a stapler and stapled the tie to his chest.

Dead silence...

The rest of the year went very smoothly.

My husband & I were doing yard work but I started a fight so I could storm off into the air conditioning

after my funeral i want one of my friends to take my phone and text everyone "thanks for coming"

An armed burglar entered a house mid-afternoon and found two people making passionate love. He held the man at gunpoint while he tied up the woman. He then ordered the man to open the safe and hand over the family's jewelry and other valuables. The frightened man started begging and said, "You can take anything you want even the thousand dollars or so in my wallet but please, please untie the ropes and let her go. The thief answered, "You must really love your wife!" The man then said, "Not particularly, but she'll be back from work soon".

I'm taking care of my procrastination issues: just you wait and see.

The key to looking amazing is looking like \$h!7 most of the time so it's more of a surprise

I got fired from my job because I kept asking my customers whether they would prefer "Smoking" or "Non-smoking".
Apparently the correct terms are "Cremation" and "Burial".
