A lady goes to the bar on a cruise ship and orders a Scotch with two drops of water.

As the bartender gives her the drink she says, "I'm on this cruise to celebrate my 80th birthday and it's today..."

The bartender says, "Well, since it's your birthday, I'll buy you a drink. In fact, this one is on me."

As the woman finishes her drink, the woman to her right says, "I would like to buy you a drink, too."

The old woman says, "Thank you. Bartender, I want a Scotch with two drops of water."

"Coming up," says the bartender.

As she finishes that drink, the man to her left says, "I would like to buy you one, too."

The old woman says, "Thank you. Bartender, I want another Scotch with two drops of water."

"Coming right up," the bartender says.

As he gives her the drink, he says, "Ma'am, I'm dying of curiosity, why the Scotch with only two drops of water?"

The old woman replies, "Sonny, when you're my age, you've learned how to hold your liquor. Holding your water, however, is a whole other issue."

When a millennial asks why everyone in old photos have red eyes I tell them they were too young to remember the great demon uprising of the 1980s.

A Jewish grandmother is giving directions to her grown grandson who is coming to visit with his wife.

"You come to the front door of the apartment. I am in apartment 301. There is a big panel at the front door. With your elbow, push button 301. I will buzz you in. Come inside, the elevator is on the right. Get in, and with your elbow, push 3. When you get out, I'm on the left. With your elbow, hit my doorbell."

"Grandma, that sounds easy, but, why am I hitting all these buttons with my elbow?"

"What . . . You're coming empty handed?"

The female dentist pulls out a numbing needle to give the man a shot.

"No way! No needles! I hate needles!" says the patient. The dentist starts to hook up the nitrous oxide and the man objects. "No way! I can't do the gas thing. The thought of having a mask on suffocates me!"

The dentist then asks the patient if he has any objection to taking a pill. "No objection at all," the patient says. "I'm fine with pills." The dentist then returns and says, "Here's a Viagra."

The patient says, "Wow! I didn't know Viagra worked as a pain killer!"

"It doesn't," said the dentist, "but it's going to give you something to hold on to when I pull your tooth."

The mother-in-law arrives home from shopping to find her son-in-law, Paddy, in a steaming rage and hurriedly packing his suitcase.

"What happened Paddy?" she asks anxiously.

"What happened? I'll tell you what happened! I sent an email to my wife telling her I was coming home today from my fishing trip. I get home .. and guess what I found? Your daughter, my wife, Jean, naked with Joe Murphy in our marital bed! This is unforgivable! The end of our marriage. I'm done. I'm leaving forever!"

"Ah now, calm down, calm down Paddy!" says his mother-in-law. "There is something very odd going on here. Jean would never do such a thing! There must be a simple explanation. I'll go speak to her immediately and find out what happened."

Moments later, the mother-in-law comes back with a big smile. "Paddy, there, I told you it must be a simple explanation. She never got your email!"

Why is it most women won't date a guy if he lives with his mother but some will date a guy that lives with his wife?

Why I Use Subtitles

- Because I can't understand the language

After a tiring day, a commuter settled down in his seat and closed his eyes.

As the train rolled out of the station, a woman sitting next to him pulled out her mobile phone.

She started talking in a loud voice: "Hi sweetheart. It's Sue. I'm on the train". "Yes, I know it's the six thirty and not the four thirty, but I had a long meeting. No, honey, not with that Kevin from the accounting office. It was with the boss. No sweetheart, you're the only one in my life. Yes, I'm sure, cross my heart!"

Fifteen minutes later, she was still talking loudly. When the man sitting next to her had enough, he leaned over and said into the phone, "Sue, hang up the phone and come back to bed."

Sue doesn't use her mobile phone in public any longer.

A couple has a dog that snored. Annoyed because she can't sleep, the wife goes to the vet to see if he could help. The vet tells the woman to tie a ribbon around the dog's testicles, and he will stop snoring. "Yeah, right!" she says and walks away.

The wife tosses and turns, unable to sleep. Muttering to herself, she goes to the closet and grabs a piece of red ribbon and ties it carefully around the dog's testicles. Sure enough, the dog stops snoring. The woman is amazed and falls asleep happy.

Later that night, her husband returns home drunk from being out drinking with his buddies. He climbs into bed, falls asleep and immediately begins snoring loudly.

Awaken, the woman decides maybe the ribbon might work on him. So, she goes to the closet again, grabs a piece of blue ribbon and ties it around her husband's testicles. Amazingly, it also works on him. The woman falls asleep and sleeps soundly.

The husband wakes from his drunken stupor and stumbles into the bathroom. As he stands in front of the toilet, he glances in the mirror and sees a blue ribbon attached to his privates. He is very confused, and as he walks back into the bedroom, he sees the red ribbon attached to his dog's testicles.

He shakes his head, looks at the dog and whispers, "Buddy, I don't know where we were or what we did last night, but we took first and second place!"
