## Victor Figueroa - Keys Smartphone Repair

Do you have cellular dysfunction? Need help? Have no fear, Victor is here!

I stopped by Keys Smartphone Repair at 91831 Overseas Hwy oceanside in Tavernier because I needed a new phone battery and my phone had a crack across the display that was embarrassing. As he was working on my phone and conversing with me, two more customers came in and he fixed all our phones at once in a matter of minutes. He is lightning fast! His prices are much lower than what you would pay on the mainland too.

There are a gazillion things that can cause cellular phone dysfunction and here are a few:

I accidentally dropped my phone in the toilet.

I accidentally dropped my boyfriends phone in the toilet.

305-896-1675 call or text • KeysPhoneRepair@gmail.com • KeysSmartphoneRepair.com  
91831 Overseas Hwy, Suite E, Tavernier,

Victor Figueroa helping Greg Wits.

Someone sneaked bananas on our fishing trip and my phone sunk with the boat and I need to check my messages!

I looked out the window and my phone slipped out of my pocket from the third-floor.

My fat boyfriend sat on it.

I'm a bartender and I put my phone in my bra and forgot about it - now it is dripping with boob sweat.

I went to the doctor and downloaded a virus.

Could spyware be draining my battery?

Someone changed my phone to Spanish and I can't

read my messages.

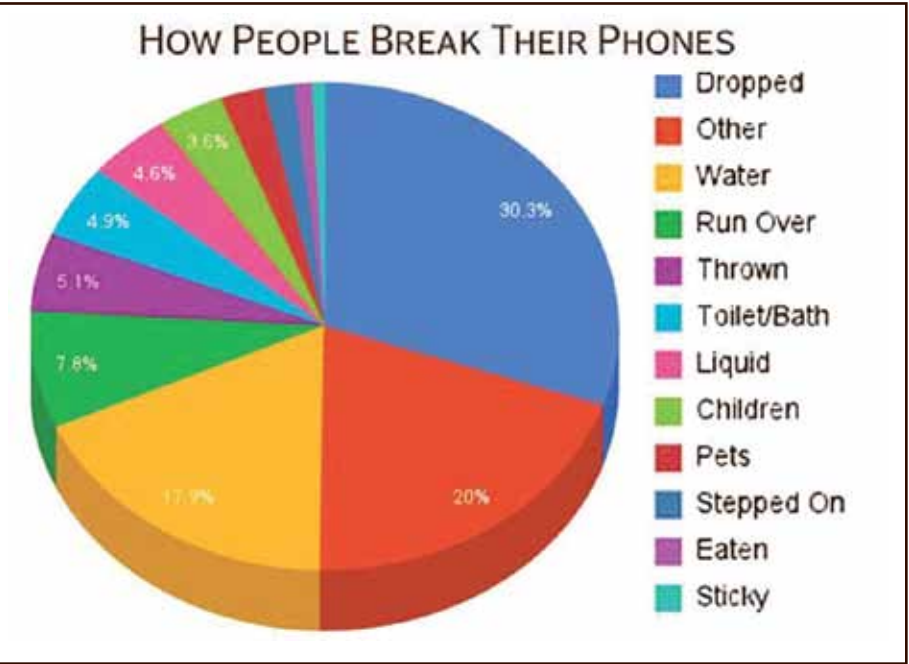

How does this thing work?

Reasons for a broken phone include dropping it (30%) and water damage (13%), with "other" getting 20%.

Remember, just because you break your cell phone doesn't mean all hope is lost.

Most issues can be fixed by Victor in just a few minutes. He works on all cellular phones, tablets and smart phone watches.

Open Monday thru Friday 9 to 4. Call 305-89\*(six-1\*(six) 75. (\* The six on my keyboard is broken.)

Q: If someone from the 1950s suddenly appeared today, what would be the most difficult thing to explain to them about life today?

A: I possess a device, in my pocket, that is capable of accessing the entirety of information known to man. I use it to look at pictures of cats and get in arguments with strangers.
