

Barbara "Bean" (Goyette) Mungovan

Bean passed away peacefully in her sleep on June 12, 2023 at the age of 94.

Born and raised in Worcester, MA and a long-time resident of South Florida. She was one of the first female aircraft servicers hired by Eastern airlines where she worked for 11 years. After retiring from the airlines, she moved from Hialeah to Key Largo, where she worked at the Florida Keys Electric Cooperation for 23 years, retiring at the age of 82. After enjoying retirement for many years in Key Largo, she moved to Moosehaven in Orange Park, Florida.

She was a Life Member and Senior Regent of the Moose Lodge since 1959. She was also a Life Member of the VFW auxiliary, where she would volunteer and send care packages to our troops and assisted wounded warriors.

Bean was an avid poet and loved performing on stage bringing laughter and joy to all. She was well known for her sense of humor and crazy

costumes. Her most treasured moments were spending time with her family and friends.

Bean is preceded in death by her son Mike Mungovan, her brother George Goyette, and her granddaughter Kaely Camacho.

Bean is survived by her Brother David Goyette, sister Peggy Cronkhite. Survived also by her children Cathy (Jim) Taylor, Laurie Batterton, Nada (Hartt) Stearns, Nancy (John) Kearney, Dan (Rosana) Mungovan, Tim (Angie) Mungovan. Bean is also survived by her 15 grandchildren, 19 great-grandchildren, 2 great-great grandchildren and many nieces and nephews.

In closing we leave you with a prayer Bean wrote: "Thank you God for everything we have, Help us to be patient and understanding with each other so we will be a happy family. Help us to be a good example to others."

A celebration of life will be held in Key Largo at a later date.

Discount code "CONCH" for 10% off fishing shirts

FRED'S TILTON HILTON - DOWNTOWN CARD SOUND ROAD

On the back of the shirt is Carol's original image of Fred's Place - the "Tilton Hilton." The restaurant, complete with slanting dance floor, blue crabs and cold beer, was located on the curve just across the Monroe County line, in the historic fishing village of Downtown Card Sound.

The photograph, taken in 1988 is a reminder of the once thriving community of nonconformists, squatters, and fishermen, who made their living from the surrounding waters, mostly by selling blue crabs. In its peak during the late 50's, this area was home to 100 residents, some who had State issued leases for "fishing camps."

Hurricane destruction, along with the politics of environmental safety, ushered in clean-up crews and by 2010, just a few wooden docks, and Alabama Jacks remain in Downtown Card Sound.

The Best of the Keys - Dr. Tom Morrison "Doc On The Rock"

Introducing Dr. Thomas Morrison... for those of you who haven't met him yet, he is the Doc on the Rock. You may have seen his sign by his office in the big pink building at 105030 Overseas Highway bayside, or maybe you made his acquaintance when he was the Medical Director of Emergency Rooms for Fisherman's and Mariners Hospitals. That's where I first met him; at Mariners Hospital after my car accident, when my blood pressure went bonkers.

Dr. Morrison is an old soul and that, along with his naturally compassionate personality, sense of humor and soothing presence, I calmed right down and was able to happily go home with medication. The next time I met him was when I stopped by the Advanced Urgent Care clinic at 100460 Overseas Highway for some X-rays on my toe, but that's another story...

Dr. Morrison is certified in primary care and he has 27 years experience. He is at the Urgent Care office three days a week and works out of his own office one day a week. The Advanced Urgent Care is a great place to go because their rates are very reasonable. In fact, the rates are posted on the wall. Why go to the mainland for x-rays and procedures when you can get them done here more affordably

and get to see Dr. Tom, the Doc on the Rock? Call 305-294-0011 or stop by, as walk-ins are welcome.

Dr. Morrison was raised in south Florida and had been enjoying the Keys for years before moving here in 2015. He loves the community and the beauty of our island and the people, whom he says are "down to earth and nonjudgmental."

Dr. Tom, to his many friends, has immersed himself into the community. He is currently the Medical Director for the Florida Keys College EMS program and for the EMS/Fire Department for Key Largo. He owns property here and spends his free time supporting many local charities. In 2019 he won the big Kahuna for the Good Health Clinic. He is a member of the Key Largo Sunset Club Rotary, the Upper Keys Sailing Club and the Heathens Motorcycle Club (which recently raised over \$8,800 at Alabama Jack's for the Children's Shelter). He was chairman!

Dr. Tom Morrison is here to stay. Office phone 305-600-5469.

ABOUT THOMAS MORRISON MD

Dr Thomas Morrison is a physician in Key Largo, FL and having practiced for 27 years brings a variety of expertise to the Florida Keys community.

He graduated medical school at CWRU-School of Medicine in 1995, and worked in New Orleans for 6 years. In the first 18 months, he rotated as a surgeon. Realizing his calling was different, left the surgery program in 1996 and within 2 years became a Medical Director in a rural emergency department. From 1996 to 1999 also became versed in occupational health (Lockheed Martin and Merchant Marine) and worked in an urban emergency department.

Wanting to complete a Residency, he chose Family Medicine, returning home to South Miami in 2000 and completing a 3-year Residency at the University of Miami/Jackson.

Dr. Tom earned several recognitions as well as Chief Resident during his tenure there, and upon graduation in 2003 took a full-time position with Jackson South Community Hospital as an Associate Medical Director which functioned as a hospitalist. He continued to work emergency rooms at Homestead and South Miami Hospitals.

In 2012 he resigned as a hospitalist to work for three years as the Regional Medical Director for the Baptist Urgent Cares in Broward. He moved to Key Largo in 2015, working initially at Mariners Hospital, but later as Medical Director for both Fishermen's and Mariners Emergency Rooms from 2016 to 2019. Still credentialed at both places, Dr. Tom works at Advanced Urgent Care and his own practice, Doc on the Rock.

The exam table at Dr. Tom's beautifully appointed offices at 105030 Overseas Highway, bayside.
