

Coco'Nut' Funnies

Mildred, the church gossip and self-appointed monitor of the church's morals, kept sticking her nose into other people's business. Several members did not approve of her extra-curricular activities, but feared her enough to maintain their silence. She made a mistake, however, when she accused Frank, a new member, of being an alcoholic after she saw his old pickup parked in front of the town's only bar one afternoon. She emphatically told Frank (and several others) that everyone seeing it there would know what he was doing!

Frank, a man of few words, stared at her for a moment and just turned and walked away. He didn't explain, defend, or deny. He said nothing. Later that evening, Frank quietly parked his pickup in front of Mildred's house ... Walked home... And left it there all night. You gotta love Frank!

KEYS FORTUNE COOKIE:

There's a reason Karaoke Bars are getting harder to find in the Keys. Your singing might be that reason.

Someone just called my phone, sneezed and then hung up.

I'm getting sick and tired of these cold calls.

My mate was doing a crossword and asked me 'what do you call those things you blow and make a wish?'

'Breathalyzer' I said.

A Texan farmer goes to Australia for a vacation. There he meets an Aussie farmer and gets talking.

The Aussie shows off his big wheat field and the Texan says, "Oh! We have wheat fields that are at least twice as large."

Then they walk around the ranch a little and the Aussie shows off his herd of cattle.

The Texan immediately says, "We have longhorns that are at least twice as large as your cows."

The conversation has, meanwhile, almost died when the Texan sees a herd of kangaroos

hopping through the field. He asks, "And what are those?"

The Aussie asks with an incredulous look, "Don't you have any grasshoppers in Texas?"

DISTINCTION :GUTS & BALLS

To those of you who are nit pickers about the meaning of words: There's a medical distinction between Guts and Balls. We've all heard about people having Guts and Balls, but do you really know the difference between them?

In effort to keep you informed, here are the definitions.

GUTS - Is arriving home late, after a night out with the boys, being met by your wife with a broom, and having the Guts to ask, "Are you still cleaning, or are you flying somewhere?"

BALLS - Is coming home late after a night out with the boys, smelling of perfume and beer, with lipstick on your collar, and slapping your wife on the bottom and saying, "You're next, chubby!"

I hope this clears up any confusion on the definitions. Medically speaking, there's no difference in the outcome. Both result in death.

Change is inevitable, except from a vending machine.

I'm not saying I'm attractive, but when I take off my clothes in the bathroom, the shower gets turned on.

BULLDOZER: SOMEONE WHO SLEEPS THROUGH POLITICAL SPEECHES

Her first customer was a second grader, who looked surprised to see a new librarian. He brought four books to the desk and shoved them across to the librarian, giving her his name as he did so.

The librarian pushed the books back and told him to sign them out. The boy laboriously printed his name on each book card and then handed them to her with a look of utter disgust.

Before the librarian could even start her speech he said, scornfully, "That other librarian we had could write."

When you're down by the sea and an eel bites your knee, that's a moray!

A woman went to the emergency room, where she was seen by a young new doctor. After about 3 minutes in the examination room, the doctor told her she was pregnant.

She burst out of the room and ran down the corridor screaming.

An older doctor stopped her and asked what the problem was; after listening to her story, he calmed her down and sat her in a room. Then he marched down the hallway to the first doctor's room.

"What wrong with you?" he demanded. This woman is 63 years old, she has two grown children and several grandchildren, and you told her she was pregnant?!!"

The new doctor continued to write on his clipboard and without looking up said "Does she still have the hiccups?"

I taught my kids about democracy tonight by having them vote on which movie to watch and pizza to order. I then picked the movie and pizza because I'm the one with the money.

Apparently there are 2 types of flu. The harmless one that women and children get, and the "near death" version that men get.

Scientists at Princeton University have reconstructed this 3D model of how Adam, the first human being created by God, might have looked

LIFE and BEER are very similar.

CHILL for best results.

most dust is human skin flakes therefore roombas are carnivorous robots and one day the dust won't satiate them anymore so they will rise up and devour us all

Jack, a handsome man, walked into a sports bar around 9:58 pm. He sat down next to this blonde at the bar and stared up at the TV as the 10:00 news came on. The news crew was covering a story of a man on a ledge of a large building preparing to jump.

The blonde looked at Jack and said, "Do you think he'll jump?"

Jack says, "You know what, I bet he will." The blonde replied, "Well, I bet he won't." Jack placed \$30 on the bar and said, "You're on!"

Just as the blonde placed her money on the bar, the guy did a swan dive off of the building, falling to his death. The blonde was very upset and handed her \$30 to Jack, saying, "Fair's fair... Here's your money."

Jack replied, "I can't take your money, I saw this earlier on the 5 o'clock news and knew he would jump."

The blonde replies, "I did too; but I didn't think he'd do it again."

Jack took the money.
