A man goes to the doctor, worried about his wife's temper. The doctor asks, "What's the problem?"

The man says, "Doctor, I don't know what to do. Every day my wife seems to lose her temper for no reason. It scares me."

The doctor says, "I have a cure for that. When it seems that your wife is getting angry, just take a glass of water and start swishing it in your mouth. Just swish and swish but don't swallow it until she either leaves the room or calms down."

Two weeks later, the man comes back to the doctor looking fresh and reborn.

The man says, "Doctor, that was a brilliant idea! Every time my wife started losing it, I swished with water. I swished and swished, and she calmed right down! How does a glass of water do that?"

The doctor says, "The water itself does nothing. It's keeping your mouth shut that does the trick."

My parents are replacing their coffee machine, which is 7 years old. Me: that's not that old, I have sheets older than that. Mother: well perhaps your sheets aren't getting as much action as our coffee machine. I'm going to need an ambulance.

A Texas farmer went on vacation to Australia. He met up with an Australian farmer who proudly showed off his wheat field.

"That's nothing" said the Texan. "Back home, we have wheat fields that are twice as large as this."

Next the Australian pointed out his cattle.

"They're nothing," said the Texan. "Back home, we have longhorns that are twice as big as your cows."

Just then, half a dozen kangaroos bounded across the road.

"What are those?" asked the Texan.

The Australian replied, "Don't you have grasshoppers in Texas?"

Morris, an 82 year-old man, went to the doctor to get a physical. A few days later, the doctor saw Morris walking down the street with a gorgeous young woman on his arm.

A couple of days later, the doctor spoke to Morris and said, "You're really doing great, aren't you?" Morris replied, "Just doing what you said, "Get a hot mamma and be cheerful."

The doctor said, "I didn't say that.. I said, "You've got a heart murmur; be careful."

A guy is driving around and he sees a sign in front of a house:

"Talking Dog For Sale." He rings the bell, and the owner tells him the dog is in the backyard. The guy goes into the backyard and sees a Labrador Retriever sitting there.

You talk?" he asks.

"Yep," the Lab replies.

"So, what's your story?"

The Lab looks up and says, "Well, I discovered that I could talk when I was pretty young, and I wanted to help the government; so I told the CIA about my gift, and in no time at all they had me jetting from country to country, sitting in rooms with spies and world leaders, because no one figured a dog would be eavesdropping. I was one of their most valuable spies for eight years running." "But the jetting around really tired me out, and I knew I wasn't getting any younger so I wanted to settle down. I signed up for a job at the airport to do some undercover security work, mostly wandering near suspicious characters and listening in. I uncovered some incredible dealings and was awarded a batch of medals. I got married, had a mess of puppies, and now I'm just retired."

The guy is amazed. He goes back in and asks the owner what he wants for the dog.

"Ten dollars."

The guy says, "This dog is amazing. Why on earth are you selling him so cheap?"

"Because he's a liar. He didn't do any of that shit."
